Mr. Hammett

Moved that Council proceed to the nomination and election of a President of Common Council for the ensuing term.

Which was agreed to.

The Clerk

Announced that nominations were in order.

.. Clark

Nominated Joseph L. Caven.

Mr. Matthews

Moved that Joseph L. Caven be elected by acclamation.

Which was unanimously agreed to.

And Joseph L. Caven was declared unanimously elected President of Common Council for the ensuing term, when he was conducted to the Chair by Mr. Matthews, who administered the oath of office.

The President then made the following address:

GENTLEMEN:—Called to preside over the deliberations of Common Council for the fourth term, I thank you for the renewed expression of confidence, and in doing so, would remind you that in 1873, when I first became a member of this body, it was composed of sixty-six representatives, and now it has eighty. Of the sixty-six there remain but seven, five of whom have been consecutively returned. Coming, then, as we do, often and directly from the people, we cannot be unmindful of their pressing demands for economy in our

municipal affairs and for consequent lower taxation. That the expenses of the Departments have been reduced from about $10,000,000 in 1875, to about $7,000,000, in 1878, is no reason that rigid economy and still further retrenchment shall not prevail in 1879.

Do you ask me how that can be done? Conduct the business of the City as you would your own; scrutinize carefully every appropriation bill; cut off every unnecessary expense; reduce your working force to the minimum; consolidate your Police and Fire Departments; abolish useless offices; dispense with still more useless employees; let efficiency and character be the requisite qualification of all your agents rather than political service and power, and last, remodel your pay-rolls; these will effect a large saving in money.

It is proper that I should call your attention to the fact, and impress it upon you, that the tax-rate for 1879 having been fixed at $2.05 on a valuation of at least fifty millions less than last year, no extra appropriation of any kind can be made, if we desire to live within our income, and not add to the floating debt. This debt has steadily decreased from January 1, 1877, to the present time. On April 1, 1878, it was $11,357,039.05; on April 1, 1879, it was $9,700,159.57. All the warrants for 1878 have been called by the City Treasurer for payment, and his payments are now two months in advance of this time in 1878. If you carry out the measures of economy I have suggested, and others that will occur to you in the faithful discharge of your obligations, you will still further reduce this debt, and thereby meet the confidence of your constituents and the gratitude of the people. Let us enter, then, upon our duties with a high resolve and a firm determination that our every act shall be for the good of the City, and the interests of citizens and tax-payers.

Mr. Hayhurst

Moved that Council proceed to the nomination and election of a Clerk.

Which was agreed to.

Nominations being in order,

Also,

Nominated John Eckstein.

Mr. Matthews

Moved that John Eckstein be elected Clerk by acclamation.

Which was unanimously agreed to.

And John Eckstein was declared unanimously elected Clerk for the ensuing term.

Mr. Hammett

Moved that Council proceed to the nomination and election of an Assistant Clerk.

Which was agreed to.

Nominations being in order,

Also,

Nominated George W. Kochersperger.

Mr. Miller

Moved that George W. Kochersperger be elected by acclamation.

Which was unanimously agreed to.

And George W. Kochersperger was declared unanimously elected Assistant Clerk for the ensuing term.

Mr. Collins

Moved that Council proceed to the nomination and election of Messengers.

Which was agreed to.

Nominations being in order,

Mr. Henry

Nominated Gavin Neilson.

Mr. Collins

Nominated George W. Johnson.

Mr. Miller

Moved that Gavin Neilson and George W. Johnson be elected by acclamation.

Which was unanimously agreed to.

And Gavin Neilson and George W. Johnson were declared unanimously elected Messengers for the ensuing term.

Messrs. John Eckstein, Clerk; George W. Kochersperger, Assistant Clerk; and Gavin Neilson and George W. Johnson, Messengers, were sworn or affirmed by the President, in accordance with law.

To authorize cities of the first class to levy and fix a tax rate, to fix the time of opening and closing the tax duplicates, to regulate the appropriations and expenditures of said cities, and prescribing penalties for the violation of the provisions of this Act.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That it shall be the duty of the Councils of cities of the first class to levy and fix a tax rate on or before the first day of October in each and every year, for the year next ensuing. The amount of tax moneys collectable during the year for which such tax shall have been levied shall be ascertained by deducting from the gross amount yielded by said tax rate the average of such proportion of the annual tax levy for each of the five years immediately preceding, as shall have been uncollected during the current year. And the tax moneys collectable during the current year shall, with the average income from sources other than from current tax moneys (exclusive of sinking fund receipts)—such average of income to be determined by ascertaining the average income during the five years immediately preceding—be set apart for the extinguishment of the floating indebtedness which the City Controller may estimate to be outstanding upon the first of January following: [*Provided,* That this

shall not apply to the floating indebtedness outstanding at the time of the passage of this Act], for the payment of all lawful obligations due by the city during the fiscal year commencing January 1st next ensuing, and for such expenses of the municipal government as may be authorized by the Councils of said cities. And the City Controller shall not countersign any warrant (except for payment of interest and for sinking fund) pertaining to any of the appropriations until the said Councils shall have first passed all appropriations necessary for the expenses for the current year of each department, board, commission, or trust, connected with said city, nor shall said officer countersign any warrant, except as aforesaid, until the total of all appropriations shall have been brought within the sum yielded by the tax levy, and average income from other sources, ascertained as aforesaid. And any appropriation or expenditure in excess of this total shall be void, and shall have no binding force upon the municipality. In default of said Councils fixing the tax rate on or before the first day of October in each and every year, then and in that case the rate of the preceding year shall be the rate for the current year, and all appropriations shall be made in conformity therewith as if Councils had themselves established such rate.

SECT. 2. The books of the Receiver of Taxes shall be opened on the first day of January in each and every year, and the payment of taxes shall commence at that time, and the Receiver of Taxes shall close the books of the preceding year, thirty-first day of December. Public notice thereof shall be given fifteen days prior thereto, and the Receiver of Taxes shall, immediately after the books are closed, proceed to register all delinquent taxes, and shall annually, on the fifteenth day of January, place the said register in the hands of the Collector of Delinquent Taxes.

SECT. 3. No City of the first class, no head of any department thereof, and no commission, board, or trust, or any other agent, officer, or employee of either, or any thereof, exercising any powers of government therein, either in the making of contracts, the approval thereof, or in the authorization of the expenditure of the money of said cities of the first class, in any manner whatever, shall hereafter make any contract without a previous appropriation has first been made by the said Councils, draw, issue, or approve any warrant for

any expenditure by such department, commission, board, or trust, or any other agent, officer, or employee, unless an appropriation has been previously made in accordance with the provisions of this Act. And no warrant shall be drawn against any item in said appropriations in excess of said item, and any contract made, or warrant issued in violation of the requirements of this Act, shall be absolutely void as against said cities, and any head of department, board, commission, or trust, agent, officer, or employee issuing such warrant, shall be deemed guilty of a misdemeanor, and upon the conviction thereof, shall be fined a sum not exceeding five thousand dollars ($5,000) and imprisoned for a term not exceeding three years, and be hereafter forever disqualified from holding any office or position of trust under the State or any county or municipality thereof, and the countersigning of any warrant or warrants by the City Controller contrary to the provisions of this Act, shall likewise constitute in such officer a misdemeanor, and shall subject him to like penalties as hereinbefore provided; *Provided*, That nothing contained in this Act shall be construed to relieve or exempt any officer or other person violating its provisions from liability to any other punishment or penalties now provided by law.

SECT. 4. That all Acts, or parts of Acts, inconsistent herewith, are hereby repealed.

FUNDING BILL.

AN ACT

To authorize cities of the first class to fund their present floating indebtedness, and to refund existing loans by creating loans therefor, and to provide for the redemption of the same.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That the Councils of the cities of the first class be, and they are, hereby authorized to fund the present floating indebtedness of said cities to the extent of ten millions (10,000,000) dollars, by the issue and sale at not less than par of a loan to that amount, in bonds or certificates of not less than twenty-five dollars each, at a rate of interest not exceeding five per centum per annum, in lawful money of the United States, which said loan shall not be subject to any taxation for State, County, Municipal, or other purposes, and shall be payable within thirty years from the date thereof in like lawful money. *Provided,* That the said loan shall not exceed two per centum upon the assessed value of the taxable property of said cities. *And provided further,* That the Councils of said cities shall, at or before the time of authorizing the said loan, provide for the collection of an annual tax sufficient to pay the annual interest, and also the principal of said loan, as the same shall mature, in such manner as the said Councils may ordain, all laws to the contrary hereof notwithstanding.

SECT. 2. The existing indebtedness of any city of the first class in this Commonwealth evidenced by outstanding bonds or certificates of indebtedness theretofore issued, may be provided for as the same shall mature by a re-issue of bonds or certificates of indebtedness, and the Mayor and Councils of said city are hereby authorized and empowered to make the said re-issue in certificates of loan in sums of twenty-five dollars, each bearing interest at a rate not exceeding five per centum per annum, in lawful money of the United States of America. And said loan shall be exempt from State, County, and Municipal taxation, and shall be payable in ten years

or in thirty years from date thereof at the option of the Councils of said city. And said loan shall not be sold nor negotiated at less than par, and may be transferred as the loans of the said city are now transferable; *Provided,* That the said city shall at or before the time of the re-issue of said loan establish the collection of an annual tax sufficient to pay the interest thereon, and also to pay the principal thereof within thirty years; *And provided further,* That the Mayor of said city may anticipate the maturity of any of the loan or loans of the said city by the re-issue and sale of loan as hereinbefore authorized, but the proceeds of the sales of the said re-issued loan or loans shall not be used for any purpose other than for the redemption of the loans of said city; *And provided further,* That any violation of this section of this Act by which the proceeds of the sales of re-issued loans as aforesaid are used for any purpose other than for payment of the maturing loans of said city, shall be deemed an increase of the debt of said city without authority of law and the certificates thereof shall be void as against said city; *And provided further,* That each and every certificate of indebtedness issued by said city for the redemption of the loans of said city shall be endorsed on the face thereof in printed form "re-issued loan."

Mr. Clark

Council resumed second reading of resolution entitled "Resolution to appoint a Joint Special Committee to proceed to Harrisburg to urge the passage of Senate bill No. 129, entitled 'An Act to authorize cities of the first class to levy and fix the annual tax rate, to establish a method for a proper ascertainment thereof, and to regulate the appropriation and expenditure of the money raised and provided in accordance with the provisions of this Act, and prescribing penalties for the violation of the same.'"

The question being on the amendment to strike out all after the word "Philadelphia," in the first and only resolution, and insert the words, "That the honorable members of the Senate and House of Representatives, now in session at Harrisburg, be, and they are, hereby respectfully requested to amend the two bills now before them, &c.,"

Mr. Bardsley

Withdrew the amendment.

The question being on agreeing to the first and only resolution,

Mr. Bardsley

Moved to amend by striking out all after the word "Philadelphia," and inserting the words "That the State Legislature, now in session, be, and they are, hereby earnestly requested to pass Senate bills Nos. 129 and 215, amended as follows:"

AN ACT

To authorize cities of the first class to levy and fix a tax rate, to fix the time of opening and closing the tax duplicates, to regulate the appropriations and expenditures of said cities, and prescribing penalties for the violation of the provisions of this Act.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That it shall be the duty of the Controllers of the cities of the first class to furnish to the Councils of said cities, on or before the first day of September, in each and every year, a detailed statement of the estimated receipts, expenditures, and liabilities of every kind, for the next fiscal year. And it shall be the duty of the said Councils to levy and fix a tax rate on or before the first day of October in each and every year, for the year next ensuing. The amount of tax moneys collectable during the year for which such tax shall have been levied shall be ascertained by deducting from the gross amount yielded by said tax rate the average of such proportion of the annual tax levy for each of the five years immediately preceding, as shall have remained uncollected at the end of each of the said years. And the tax moneys collectable during the current year shall, with the average income from sources other than from current tax moneys (exclusive of sinking fund receipts)—such average of income to be determined by ascertaining the average income during the five years immediately preceding—be set apart for the extinguishment of the floating indebtedness other than that which may be outstanding at the passage of this Act, which the City Controller may estimate to be outstanding upon the first of January following, for the payment of all lawful obligations due by the city during the fiscal year commencing January 1st next ensuing,

and for such expenses of the municipal government as may be authorized by the Councils of said cities. And the City Controller shall not countersign any warrant (except for payment of interest and for sinking fund) pertaining to any of the appropriations until the said Councils shall have first passed all appropriations necessary for the expenses for the current year of each department, board, commission, or trust, connected with said city, nor shall said officer countersign any warrant, except as aforesaid, until the total of all appropriations shall have been brought within the sum yielded by the tax levy, and average income from other sources ascertained as aforesaid. And any appropriation or expenditure in excess of this total shall be void, and shall have no binding force upon the municipality. In default of said Councils fixing the tax rate on or before the first day of October in each and every year, then and in that case the rate of the preceding year shall be the rate for the current year, and all appropriations shall be made in conformity therewith as if Councils had themselves established such rate.

SECT. 2. The books of the Receiver of Taxes shall be opened on the first day of January in each and every year, and the payment of taxes shall commence at that time, and the Receiver of Taxes shall close the books of the preceding year, thirty-first day of December. Public notice thereof shall be given fifteen days prior thereto, and the Receiver of Taxes shall, immediately after the books are closed, proceed to register all delinquent taxes, and shall annually, on the fifteenth day of January, place the said register in the hands of the Collector of Delinquent Taxes.

SECT. 3. No City of the first class, no head of any department thereof, and no commission, board, or trust, or any other agent, officer, or employee of either, or any thereof, exercising any powers of government therein, either in the making of contracts, the approval thereof, or in the authorization of the expenditure of the money of said cities of the first class, in any manner whatever, shall hereafter make any contract without a previous appropriation has first been made by the said Councils, draw, issue, or approve any warrant for any expenditure by such department, commission, board, or trust, or any other agent, officer, or employee,

unless an appropriation has been previously made in accordance with the provisions of this Act. And no warrant shall be drawn against any item in said appropriations in excess of said item, and any contract made, or warrant issued in violation of the requirements of this Act, shall be absolutely void as against said cities, and any head of department, board, commission, or trust, agent, officer or employee, issuing such warrant, shall be deemed guilty of a misdemeanor, and upon the conviction thereof, shall be fined a sum not exceeding five thousand dollars ($5,000) and imprisoned for a term not exceeding three years, and be hereafter forever disqualified from holding any office or position of trust under the State or any county or municipality thereof, and the countersigning of any warrant or warrants by the City Controller contrary to the provisions of this Act, shall likewise constitute in such officer a misdemeanor, and shall subject him to like penalties as hereinbefore provided; *Provided*, That nothing contained in this Act shall be construed to relieve or exempt any officer or other person violating its provisions from liability to any other punishment or penalties now provided by law.

SECT. 4. That all Acts, or parts of Acts, inconsistent herewith, are hereby repealed.

Limit of City Expenses.

AN ACT

To authorize cities of the first class to fund their present floating indebtedness, and to refund existing loans by creating loans therefor, and to provide for the redemption of the same.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That the Councils of the cities of the first class be, and they are, hereby authorized to fund the present floating indebtedness of said cities to the extent of ten millions (10,000,000) dollars, by the issue and sale at not less than par of a loan to that amount, in bonds or certificates of not less than twenty-five dollars each, at a rate of interest not exceeding five per centum per annum, in lawful money of the United States, which said loan shall not be subject to any taxation for State, County, Municipal, or other purposes, and shall be payable within thirty years from the date thereof in like lawful money. *Provided,* That the said loan shall not exceed two per centum upon the assessed value of the taxable property of said cities. *And provided further,* That the Councils of said Cities shall, at or before the time of authorizing the said loan, provide for the collection of an annual tax sufficient to pay the annual interest, and also the principal of said loan, as the same shall mature, in such manner as the said Councils may ordain, all laws to the contrary hereof notwithstanding.

SECT. 2. The existing indebtedness of any city of the first class in this Commonwealth evidenced by outstanding bonds or certificates of indebtedness theretofore issued, may be provided for as the same shall mature by a re-issue of bonds or certificates of indebtedness, and the Mayor and Councils of said city are hereby authorized and empowered to make the said re-issue in certificates of loan in sums of twenty-five dollars, each bearing interest at a rate not exceeding five per centum per annum, in lawful money of the United States of America. And said loan shall be exempt from State, County, and Municipal taxation, and shall be payable in ten years, or in thirty years from date thereof, at the option of the Councils of said City. And said loan shall not be sold nor nego-

tiated at less than par, and may be transferred as the loans of the said city are now transferable; *Provided*, That the said City shall, at or before the time of the re-issue of said loan, establish the collection of an annual tax sufficient to pay the interest thereon, and also to pay the principal thereof within thirty years; *And provided further*, That the Mayor of said city may anticipate the maturity of any of the loan or loans of the said city by the re-issue and sale of loan as hereinbefore authorized, but the proceeds of the sales of the said re-issued loan or loans shall not be used for any purpose other than for the redemption of the loans of said city; *And provided further*, That any violation of this section of this Act by which the proceeds of the sales of re-issued loans as aforesaid are used for any purpose other than for payment of the maturing loans of said city, shall be deemed an increase of the debt of said city without authority of law, and the certificates thereof shall be void as against said city; *And provided further*, That each and every certificate of indebtedness issued by said city for the redemption of the loans of said city shall be endorsed on the face thereof in printed form "re-issued loan."

Mr. Kendrick

Moved that the resolution be indefinitely postponed.

On agreeing to the motion,

The yeas and nays were required by Mr. Kendrick, seconded by Mr. Henry, and were as follows:

YEAS—Messrs. Hunter, Jamison, Kendrick, McElroy, Moran, Tully, and Wallace—7.

NAYS—Messrs. Adams, Alexander, Anck, Bardsley, Bowden, Bromley, Buckius, Butler, Carlin, Clark, Collins, Cook, Crouse, M. A. Davis, W. H. H. The President

Declared that E. K. Stevenson, Samuel J. Christian, William R. Tucker, Joseph S. Keen, Jr., William Howell, Jr., and William H. Taggart, they having received a majority of the votes cast, and having been previously nominated in accordance with ordinance to regulate the election of Port Wardens, approved December 31, 1878, duly elected members of the Board of Port Wardens for the term of two years.

Mr. Hacker

Raised the point as to whether John B. Lewellen and George Walker were not duly elected members of the Board of Port Wardens, they having received a majority of the votes cast.

The President

Decided that the point was not well taken, they not having been nominated in accordance with the ordinance of December 31, 1878, regulating the election of Port Wardens.

Mr. Hacker (of Common Council)

Presented the following appeal:

I appeal from the decision of the Chair that John B. Lewellen and George Walker are not elected members of the

Board of Port Wardens, because they were not nominated by certain bodies embraced in an ordinance to regulate the election of Port Wardens.

JOSEPH HACKER,
H. WEICHSELBAUM,
SAML. F. HOUSEMAN,
WM. GALLAGHER,
H. C. DUNLAP.

The question being, Shall the decision of the Chair stand as the judgment of the Convention?

Mr. Miles (of Select Council)

Moved that the appeal be laid on the table.

APPENDIX No. 1.

DEPARTMENT OF HIGHWAYS, BRIDGES, AND SEWERS,

Philadelphia, January 13, 1878.

To the President and Members of
Select and Common Councils.

GENTLEMEN :—Your honorable bodies having abolished the sewer rents, there will undoubtedly be a great increase in the number of sewer connections, from the inducement thus offered citizens to extend the drainage of their residences. It becomes absolutely necessary therefor that there should be some revision of the regulations in regard to making these connections, as the careless and unsubstantial manner in which very much of this kind of work is done, causes the sewers to break and fill up, thus entailing a large expense upon the City for repairs. As the law at present exists, any plumber can obtain a permit to make a connection with the sewer, the Department of Surveys appointing an inspector, whose duty it is to see that the work is properly done, and without injury to the sewer, for which he receives for each and every connection made the sum of one dollar from the person making said connection; but the results from this plan, as I indicated above, are so unsatisfactory that I would ask your consideration of the plan of having connections made by a definite number of parties skilled in such work, requiring them to enter bonds as security for the faithful performance of their duty, and the substantial character of their work.

Another matter of importance is, that the increased number of sewer connections implies a greatly increased number of

openings in the streets, which will require a larger amount of money for street repairs, and for which I made no calculation in my estimate for the amount required by my Department for such work during the present year, as at the time of making said estimate, Councils had not abolished the sewer rents; and I would at this time impress upon your honorable bodies the great importance of adopting such measures as will insure the making of all gas, water and sewer connections, prior to the paving of a street.

According to the method now in vogue, the following is the result in very many instances; a street is paved, houses are then built upon it; next in order is the breaking of the street to make a water connection to each house, and the Department of Highways directs the ditches to be paved up; then the Gas Department tears up the street and lays the gas pipes and pave it up; then Councils pass an ordinance to construct a sewer on the line of the street, which is again torn up, the sewer built and the street again repaved; and finally the street is again broken to make sewer connections with the houses, so that by the time the last performance is through with, the street is in a thoroughly demoralized condition, and requires repaving from curb to curb, actually having cost more in some instances than the original paving. The question of an effective trap for inlets is also one which demands your earnest consideration, as the escape of the foul gases, and the sickness and death which are directly traceable to the same, is one of the most serious evils with which the authorities of a great City have to contend.

Having in former communications urged the consideration of these matters, I trust your honorable bodies will take some immediate action, by referring the same to a committee, with whom I will gladly co-operate in framing such ordinances, and adopting such measures as shall remedy these existing evils.

Very respectfully,

WILLIAM BALDWIN,

Chief Commissioner of Highways.

APPENDIX No. 2.

RESOLUTION

Of request to the Chief Engineer and Surveyor to furnish Specifications for certain main sewers.

Resolved by the Select and Common Councils of the City of Philadelphia, That the Chief Engineer and Surveyor be requested to furnish the Chief Commissioner of Highways, at an early date, Specifications for the following main sewers, viz.: Honey Run, Mill Creek, Pennsylvania avenue, Forty-eighth street, Lombard street, Moore street, and Thirteenth street.

APPENDIX No. 3.

TWENTY-FIFTH ANNUAL REPORT OF THE CITY CONTROLLER.

DEPARTMENT OF CITY CONTROLLER.

Philadelphia, January 1, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—In compliance with the Act of Assembly consolidating the City of Philadelphia, and, also, the Act approved April 20th, 1874, the Twenty-fifth Annual Report of the Receipts and Disbursements for the year 1878, is herewith respectfully submitted.

While the financial affairs of the City present an improvement over those of the previous year in the reduction of the funded and floating debt, and are therefore a cause for congratulation, yet they are far from being satisfactory.

It is well, in looking into the condition of the monetary affairs of the City, to bear in mind that it is still burdened with a very large funded debt, a portion of which will become due annually for many years.

To meet the payment of this debt by a compliance with the wise provisions of law, which requires its redemption at maturity, necessitates large taxation to pay interest, in addition to the amount appropriated to the several sinking funds, and the sums annually needed to defray the current expenses of the City.

The cash in the Treasury January 1, 1878	$2,069,535 79
Received during the year 1878	14,555,620 38
Total	$16,625,156 17

The total disbursements of the City of Philadelphia for the year 1878, were		$14,977,550 51
From which deduct the following amounts:		
Judgments and executions	$279,623 71	
Interest on city loan	3,749,483 65	
" " " warrants	681,072 31	
The several sinking funds	810,743 00	
Warrants of previous years	8,519,858 08	
Amount paid on loan warrants	430,188 49	
Erection of public buildings	21,620 32	
State tax	29,400 56	
Park fund	14,132 21	
		$14,536,127 33
Cash paid for Departments, 1878		441,423 18
		$14,977,550 51
Outstanding warrants for the year 1878	$7,356,071 16	
Deduct outstanding warrants for Public Buildings	635,790 16	
		$6,720,281 00
Add Cash Warrants for Departments, 1878		441,423 18
Total Cost of Departments for the year 1878		$7,161,704 18

Receipts.

The revenue of the City for the year 1878, derived almost entirely from taxation, is $14,555,620.38, being less by $198,733.28 than the receipts of 1877.

Of the tax levy 20 per cent. is the average amount uncollected in the year of the levy, the result of allowances and non-payments.

Amount of levy, 1878	$12,139,496 51
Amount collected, 1878	9,294,264 95

The delinquent taxes should be secured by lien as early as possible after the first day of June, as required by the Act of Assembly of March 24, 1870, and the amount liened reported to the Department of City Controller with a memorandum of

the properties. This will appear important when it is stated that the amount of outstanding taxes, January 1, 1879, is $8,837,259.34, and of this sum $4,492.903.41 may be considered as uncollectable, by reason of the expiration of the period during which a lien can be filed, and $4,344,355.93 can be collected. How much of the latter amount has been secured by proper legal proceedings it has been impossible, after diligent inquiry, to ascertain. Such records ought to have been kept, but if they have been they cannot be found. There is no reason why the entire amount should not be secured and saved to the City.

The receipts from the Departments during the year 1878 amount to $2,783,635.88, $95,963.39 more than the previous year, and $458,454.88 more than the estimated receipts for 1878.

"Sewer rents" having been abolished, and thus a revenue of $60,000 per annum cut off, more scrutinizing attention should be given to the other Departments reporting receipts —in order that their revenue may be increased. The Department of City Property reports $107,945.43, during the year 1878, $9,418.56 less than the year 1877. This, in a measure, is the result of depreciation in rents.

It would be economy to dispose of every City property which does not pay a compensatory revenue, beyond the expenses of maintaining it. The item of $13,929.20 for support and bastardy cases, appearing as a revenue from the Department of the Guardians of the Poor, is in no sense a receipt. The City does not receive a dollar from this source. A custom for many years in that Department has been of drawing a warrant against an appropriation made by Councils for that purpose, and then paying in the amount of the warrant to the treasurer, to represent what the Guardians of the Poor received from individuals ordered by the Court to pay money

in such cases, and the amount paid out by the Department to the individuals to whom it was ordered to be paid. Very wisely the custom has been abolished. Another source of revenue of this Department, "house receipts," which yielded up to the year 1875 ten or twelve thousand dollars annually, has since then entirely disappeared as an item of receipts.

Disbursements.

Of the disbursements, $3,749,483.65 were for interest on the debt, and $11,228,066.86 were paid upon judgments, warrants of previous years, sinking funds, State tax, loan account, Park fund, interest on warrants, that the actual cost of conducting the municipal Departments for 1878, which amounted to $7,161,704.81, only the sum of $441,423.18 was paid during the year, leaving $6,720,280.90 of the warrants of 1878, for current expenses outstanding. Thus the City is more than a year behind in its running expenses. As compared with 1878, the disbursements for 1878 are $807,607.89 less than those for the year 1877, and $187,520.96 more than the appropriations for 1878.

In this connection your attention is directed to the importance of having all the Departments date their contracts for current or ordinary department work at the commencement of the year, so that the contract for a year may close with that year's appropriations, and not extend to a subsequent year.

Floating Debt.

Outstanding warrants representing a floating debt have regularly appeared as an item in the financial records of the City since consolidation. It reached the maximum amount $12,404,875.22, January 1, 1877. Since then, by strict economy, watching carefully every outlet from the City Treasury, and guarding against extravagance in the Depart-

ments, the floating debt has been reduced $511,057.13 in 1877, and during 1878 it was further reduced $1,151,359.44, leaving the floating debt January 1, 1879, $10,742,459.65. In connection with this reduction it is proper to state that the balance in the treasury is $143,251.12 less than it was on the first of January, 1878.

A steadfast adherence to this course in the future, is the hope of relief to real estate in a less onerous tax-rate. Debt means interest, and interest a heavy burden on the tax payer. If the same wisdom should guide future Councils of the City for a period of fifteen years, reducing the amount a million every year, the floating debt with its accumulated interest would be paid off at the end of that period. But as contingencies are liable to arise to prevent an adherence to such a policy, and the time should be extended ten years during which interest at the rate of six per cent. would have to be paid, under such circumstances the funding of the floating debt in a 4½ per cent., 10–30 loan, is earnestly recommended. In the Act authorizing the loan there should be a provision prohibiting the contraction of a floating debt, making it a misdemeanor for the head of a department to draw a warrant against an appropriation unless there is a balance to its credit in the treasury. If such legislation should be enacted, and the time between the commencement of the yearly expenses and the receipts from taxes levied to meet those expenses shortened, we might be enabled to practically carry out the trite maxim "pay as you go."

Funded Debt.

The year closes with a decrease of the Funded Debt compared with the previous year, of $628,900. This is the first time since consolidation in 1854, that there has been any decrease in the Funded Debt at the closing of the financial

year from that which preceded it, each year previously advancing in amount over that preceding it within that time.

The Funded Debt in 1854 was $16,573,614.77, and it increased annually until the year which closed January 1, 1878, standing then at $61,721,541.70, and at the end of the financial year, December 31, 1878, it was $61,092,641.70, showing the reduction above stated. This was the result of the provision contained in Section 2, Ordinance, 1855, viz.: "For the purpose of reducing taxation, the Trustees and the "Committee on Gas shall be required to assess the entire "value of the Gas Works of the late Districts of Spring "Garden, of Moyamensing, of West Philadelphia, and Bel- "mont, and the late Borough of Frankford, at their fair "value, not to be less than the sum of $450,000, and the "Trustees shall be required to pay over to the Treasurer of "the City of Philadelphia, on or before the 30th day of June, "4 per cent. in each and every year, upon so much of the "City Debt as shall be equal to the assessed value of all the "said Gas Works, 3 per cent. of which shall be applied by "the said City Treasurer to the payment of the semi-annual "interest upon the amount of the assessed value of said "Works, of the City Debt, or of the loans of the City of "Philadelphia, and 1 per cent. shall be immediately in- "vested by him in the purchase of Certificates of Loans of "the City of Philadelphia, to constitute a sinking fund for "the final redemption of the above assessed valuations, until "said sinking fund so created shall, with its accumulations, "amount to the said assessed value of said Works, when the "above semi-annual payments to the City Treasurer shall "cease."

The payments, under the above provision, reached the sum of $450,000, August 21, 1878, when in pursuance of an order

of the Sinking Fund Commissioners, that amount of loan was cancelled, as follows, viz.:

Consolidated 6 per cent. loan, 1879	$71,500
Consolidated 6 per cent. loan, 1880 Consolidated 5 per cent. loan, 1880	170,100
Consolidated 6 per cent. loan, 1881	207,700
Consolidated 6 per cent. loan, 1886	500
	$450,000

And the amount of old loan maturing in 1878, and redeemed by Commissioners of Sinking Fund, was $178,900, decrease of the Funded Debt as above stated of $628,900.

The well known fact that the City of Philadelphia has been paying and cancelling its indebtedness as it became due, and that provision is made for a continuation of this sound policy in the future, has placed the credit of the City high in the market, and any deviation from this course would greatly impair that credit.

The importance of obtaining the passage of an Act by the Legislature, empowering the Tax Receiver to collect on the tax bills the water rents, is suggested for your consideration, so that when returns are made to this department of the amount of taxes paid, the amount of water rents can be audited at the same time, thus saving much useless expense and increased liability to clerical errors, and allowing the tax-payer to pay all his taxes at *the same time and place.*

In consequence of the large floating debt of the City, it may not be improper, in conclusion, to state the necessity for a strict enforcement of the law, for as prompt payment

of the outstanding warrants as is consistent with existing provisions for the payment of the semi-annual interests.

[SEAL.] *Mayor of Philadelphia.*

APPENDIX No. 4.

RESOLUTION

To meet in Joint Convention to elect Directors of the Philadelphia & Erie Railroad Company.

Resolved that the Select and Common Councils of the City of Philadelphia meet in Joint Convention this day, January 16, 1879, at 4 o'clock, P. M., for the purpose of electing three Directors of the Philadelphia and Erie Railroad Company.

APPENDIX No. 5.

Philadelphia, January 16, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered a resolution of instruction relative to the awarding of certain contracts by the Clerks of Councils, instructing them to inquire into the same, and to report what action might be proper in the premises.

The facts elicited by their examination are as follows:

The advertisements for proposals for printing and stationery for Councils were inserted in the Ledger and Freie Press on the 23d, 24th, and 25th of December, 1878. The advertisement in the Ledger was a very brief one, and failed to state that bonds would be required to be filed with the City Solicitor, in conformity with the ordinance relating thereto.

It was announced in the advertisement that bids would be received until 12 M. on the 25th of December, which was Christmas day, and a public holiday.

The advertisements were inserted by Mr. Joseph Paist, Clerk of Select Council, who was examined before the Committee. He stated in substance that the announcement that the bids would be opened on Christmas day was purely a mistake, as he labored under the hallucination that Christmas day fell on Thursday; the Committee was not notified to be present on that day, as he discovered his mistake, and

sent out the notices for the following day (Thursday); several persons came to the office on Christmas day and were told of the change, and that proposals could be made up to noon of the day following. The Committee on Printing and Supplies were not notified to be present on Christmas day, but upon the following day at noon, when the Chairman opened the bids in the presence of the Committee, and the contracts were awarded. Two bids were thrown out because no bonds accompanied them, but these bids were higher than those accepted. No objection was made because the proposals were called for on Christmas day, and there was no suggestion or proposal made to the Committee to re-advertise.

Mr. John Eckstein, Clerk of Common Councils, testified that he left the matter entirely with Mr. Paist, who was Clerk of the Committee on Printing and Supplies. He paid no attention to the opening of the bids, although he was in the office at the time attending to other business. He did not examine the bids or assist in making the schedule. He took the word of Mr. Paist that it was all right.

Mr. D. B. Wendle, Chairman of the Committee on Printing and Supplies, testified that he opened the bids, and the contracts were awarded without objection from any one, and that they all seemed regular.

Mr. Henry C. Dunlap, member of Common Council and foreman for E. C. Markley (composing the firm of E. C. Markley & Son), testified that he made up his own bid and sent it in on Christmas day; his attention was called to proposals by the advertisement; had no communication with the Clerks, and no undue advantage over other bidders; the prices were lower than the charges to the general trade; the Clerks have no interest directly or indirectly in the contracts.

Mr. Frank Murphy, of Wm. F. Murphy's Sons, who received the contract for stationery, testified that he had received no previous intimation from the Clerks, but saw the advertisement in the Ledger; the prices were lower than those charged the general trade.

Mr. Mahlon Bolton, Jr., of the firm of Lehman & Bolton, one of the unsuccessful bidders for printing, stated that he put in his bid on Christmas, but was notified of the postponement until the following day; he had no fault to find.

From the foregoing statement it appears that the letter of

the provisions of the ordinances regulating the advertising for printing and stationery was complied with by the Clerks of Councils. Still a very grave doubt has filled the public mind as to whether sufficient publicity was given by the manner of the announcement. Christmas day being a public holiday, was not a legal day for the opening of bids or the awarding of contracts. All public business is at that time suspended by law, and the fixing of that day as the time for the closing of the reception of bids was irregular, and contrary to the spirit of the laws of the Commonwealth. The extension of the time for receiving bids to the following day was contrary to former usuage, and calculated to arouse suspicion in the minds of persons intending to bid. The advertisements also gave too short a notice, as scarcely more than forty-eight (48) hours elapsed between the first appearance of the same and the time fixed for receiving the last bids.

Councils, through their clerks, should set a good example to the other departments, and at a time when general reductions are being made by them in salaries, and in all municipal expenses, should endeavor to curtail the cost of their own department. It should also be remembered, that the clerks of both branches of Councils have an equal responsibility in the awarding of contracts, and in advertising in such a manner as to give the fullest publicity and invite the most extended competition. This duty is imposed fully as much on the Clerk of Common Council, as of Select Council. They have an equal responsibility, and should be equally vigilant in the exercise of their grave duty. Prudence and wisdom should have suggested to the Clerks of Councils and to the Committee on Printing and Supplies, the propriety, on the 26th of December last, of directing a re-advertisement for proposals.

Such a course would to-day be advisable in view of the state of public feeling on this subject, unless the legal rights of the successful bidders render it impossible for Councils to take such a step. The reputation of the successful bidders would certainly be enhanced, and they would greatly relieve Councils and remove public distrust if they would voluntarily waive any legal rights they may have secured, and consent to a re-advertisement for proposals for printing and stationery.

In view of these facts, Councils should provide by ordinance, that advertisements for proposals in future should appear every other day for three times, the last one of which should be on the day prior to the opening of bids, and that notices of the same should be conspicuously displayed on a bulletin-board in the office of the Clerks of Councils for one week prior thereto.

Your Committee are informed that the contract of E. C. Markley & Sons was executed by the Mayor on the 27th day of December, 1878, being the day after that on which the contract was awarded. The contract with Wm. F. Murphy's Sons has not yet been executed. The Committee request the passage of the annexed resolution.

RESOLUTION

Directing the Clerks of Councils to re-advertise for bids for printing and stationery for the year 1879.

Resolved by the Select and Common Councils of the City of Philadelphia, That the Clerks of Councils are directed to re-advertise for proposals for printing and stationery for the year 1879.

APPENDIX No. 7.

Philadelphia, January 30, 1879.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Election Divisions, to whom was referred resolutions, petitions, and ordinances, to change the place of voting in several of the election divisions of the City, respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance, and recommend its passage.

APPENDIX No. 8.

FORTY-FOURTH ANNUAL REPORT OF THE PHILADELPHIA GAS WORKS.

To the Select and Common Councils
of the City of Philadelphia.

The Trustees of the Philadelphia Gas Works present the Forty-fourth Annual Report of their proceedings, and the statement of the financial condition of the Works under their control, and the results of the business carried on by them for the year 1878.

Since the last Annual Report there has been expended:

For Works, - - - -	$105,956 48
" Mains, - - - -	49,650 39
" Services, - - - -	66,748 62
Making a total, - - -	$222,355 49
From which deduct amount received on account of mains and services, - - -	$23,105 18
Leaving a balance of - -	$199,250 31

The quantity of gas manufactured during the year 1878 was 2,167,539,000 cubic feet, this being an increase of 56,862,000 cubic feet over last year. The largest consumption in any twenty-four hours was on the night of the twenty-first of December, amounting to 9,224,000 cubic feet.

The street mains laid during the year were 36,463 feet, making the entire length of the mains 697½ miles.

The whole number of lamps on the first of January of this year was 11,981, of which 11,501 were supplied with gas from these works, and 480 with gas from the Northern Liberties Works.

The Cashier's Report, herewith submitted, shows that the loans created by Councils from time to time, for the construction of the works, their increase and manufacturing capacity, the extension of mains, and for the purchase of other works, amounted to $7,370,000; the amount paid from the Sinking Funds for loans 1, 2, 3, 4, 5, 6, 7, and 8, as they became due, was $1,370,000, leaving in the Sinking Fund, in charge of the Trust for the payment of loan No. 9, $1,663,206.37.

The amount of loans and cash in the hands of the Commissioners of the Sinking Funds of the City for the redemption of loans 10, 11, 12, 13, 14, 15, and 16, is $1,698,447.81.

The amount of loans unpaid on the 31st of December, 1878, was $6,000,000, from which deduct the amount of loans and cash in charge of the Trustees and Commissioners of the Sinking Funds, $3,361,654.18, leaving a balance to be provided for amounting to $2,638,345.82.

For the purchase of the Southwark and Moyamensing, Germantown, Manayunk, and Richmond Gas Companies Stock, amounting to $300,740, the Trustees have in the different Sinking Funds for the redemption of the same, $194,234.74.

The Sinking Fund, for the payment of four hundred and fifty thousand dollars, the estimated value of the Spring Garden, Moyamensing, West Philadelphia, and Frankford Gas Works, having reached that amount, has been cancelled and credited to what has been heretofore called City debt for that amount.

The net profits of the Works during the past year were $120,179.69, making the accumulated profits up to the year 1878, $3,188,517.84, which has been expended in the construction of the Works, laying of mains, &c., over and above the loans created for these purposes.

They here submit the average illuminating power of the gas made at the different works under their charge during the year 1878, reported from tests made daily by Professor Robert E. Rogers, of the Jefferson Medical College, and Professor Lemuel Stephens of the Girard College, the lowest average in every case being given :

Average for January, - - -	16.25	candles.

" " November, - - -	15.99	"
" " December, - - -	16.13	"
Average for the year, - - -	16.19	"

The details of the manufacturing and distributing operations of the year are fully given in the report of the Chief Engineer, which is herewith submitted for your information.

By order of the Trustees.

NATHAN L. JONES,
President.

Attest—THOMAS NOBLE,
Registrar.

ENGINEER'S REPORT.

To the Trustees of the
Philadelphia Gas Works.

GENTLEMEN:—I have the honor to present the forty-fourth annual report of the condition of the works, together with a detailed statement of the operations for the year 1878.

The total amount of gas made during the year was 2,167,539,000 cubic feet, it being an increase in quantity, as compared with that made during the year 1877, of 56,862,000 cubic feet, making the total product of the works since their erection 28,459,843,000 cubic feet.

The amount manufactured at the different stations was as follows:

	Cubic feet.
Gas made at Twenty sixth Ward Works	708,264,000
Gas made at Ninth Ward Works	1,140,965,000
Gas made at Fifteenth Ward Works	169,912,000
Gas made at Twenty-first Ward Works	24,461,000
Gas made at Twenty-fifth Ward Works	123,937,000
Total	2,167,539,000

The maximum consumption of gas in twenty-four hours was 9,224,000 cubic feet, which occurred on the night of the twenty-first of December.

The maximum production of gas in twenty-four hours, was 8,548,000 cubic feet.

The annexed statement shows the quantity of materials used in the manufacture and purification of gas.

STATEMENT.

	Tons of 2,000 lbs.
Coal on hand January 1, 1878	57,230
Coal received in 1878	242,106
Total tons	299,336
Coal used in 1878	250,518
Coal sold in 1878	9
Coal on hand January 1, 1879	48,809
Total tons	299,33

Lime used in purification, 348,123 bushels.

	Bushels.
Coke on hand January 1, 1878	87,050
Coke made in 1878	6,882,864
Total bushels	6,969,914

Coke used under retorts in 1878	2,639,319
Coke used for boilers and lime kilns	278,101
Coke used in offices, yards, and streets	66,279
Coke sold in 1878	3,976,507
Coke on hand January 1, 1879	9,708
Total bushels	6,969,914

The number of meters and service pipes introduced during the year has been:

In Wards comprised in limits of old City	172
In Spring Garden and Penn	1,082
In Moyamensing	304
In Southwark	112
In Richmond	60
In Kensington	254
In Twenty-first Ward	81
In Twenty-second Ward	113
In Twenty-third Ward	133
In Twenty-fourth and Twenty-seventh Wards	391
In all	2,702

Adding these to total number before in use makes the total number 95,429.

The applications for gas registered during the year have been:

At the Seventh street office	11,526
At the Spring Garden office	8,022
At the Twenty-first Ward office	471
At the Twenty-second Ward office	560
At the Twenty-third Ward office	555
At the Twenty-seventh Ward office	1,796
Total	22,930

Deducting removals and discontinuances amounting to 20,248, shows an increase of 2,682, which added to former number of consumers, makes the total number now on the books of the Trust 96,441.

The lights added during the year, were

In old City	7,319
In Spring Garden and Penn	24,680
In Southwark	1,538
In Moyamensing	4,083
In Richmond	1,057
In Kensington	4,281
In Twenty-first Ward	1,815
In Twenty-second Ward	1,610
In Twenty-third Ward	1,706
In Twenty-fourth and Twenty-seventh Wards	9,470
	57,559
Previously in use	1,361,836
Total	1,419,395

There are now under the charge of the Trust, 11,501 public lamps supplied with gas from these works, and 480 from the Northern Liberties Works, making a total of 11,981.

36,463 feet of street mains were laid during the year, making the entire length of mains belonging to the Trust 3,682,301 feet, or 697½ miles.

The laying of the pipe connecting the main on Ridge Avenue, with the holders at Ninth and Diamond Streets (as recommended in report of last year) has given the consumers in the Twenty-eighth and Twenty-ninth Wards a sufficient supply of gas; there being no complaints from that locality since the connection was made. The upper end of the Twenty-second Ward or Chestnut Hill cannot possibly be better supplied than at present, with the existing main leading from the holder, it being too small to pass the amount of gas required. It is a question whether the additional amount of gas required by the few consumers complaining of an insufficient supply would warrant the expense of laying a larger main.

One section (120 retorts) has been in operation at the new works in the Twenty-fifth Ward since the eighth of August, last, and an additional section (120 retorts) since the first of November, the results obtained being perfectly satisfactory and comparing favorably with those from the other works.

The machinery and apparatus at the works in the Twenty-sixth, Ninth, and Twenty-first Wards are in good condition, and will require no outlay of money during the present year, except for the usual renewal of retorts and for ordinary repairs.

The electric light has been attracting a large amount of the public attention for the past year. It has however, not yet been so perfected as to warrant the belief that it will supercede or even come into serious competition with the sale of gas; the experiments now being made in this Country and in Europe fully demonstrate that it is not available for general lighting purposes, its cost exceding that of coal gas so much as to make it valuable only for purposes of exhibition or for advertising.

A detailed statement of the operations of the works for the past and each preceeding year will be found in the annexed tabular statements.

It affords me pleasure to state that the management of the officers in charge of the different departments of the works has been entirely satisfactory.

Yours respectfully,

THOMAS R. BROWN,
Chief Engineer.

The past year is without any event of novelty in the management of the affairs of the Company. Careful attention at all times has preserved the efficiency of the works, which, to secure, requires many and expensive repairs. Gas of the best quality is supplied to all consumers in the district in satisfactory quantity. New mains have been laid during the year to the inconsiderable extent of six hundred and two feet of three-inch pipe, while the number of consumers has materially diminished, and the quantity of gas produced during the same time is four million seven hundred and forty thousand cubic feet less than that made in the year 1877. These facts plainly indicate that the works are not excluded from the effects of the continued general depression of business.

All of which is respectfully presented.

By order of the Board of Trustees.

WM. P. FODELL,
Secretary.

OFFICE OF THE BOARD OF TRADE,

Philadelphia, February 1, 1879.

To the Select and Common Councils
of the City of Philadelphia.

At a meeting of the Philadelphia Board of Trade, held January 27, 1879, the following resolution was unanimously adopted, viz.:

That the bill prepared fixing the hours of work for the clerks in the City's employ to accord with those of clerks in mercantile counting rooms has our hearty approval, but would recommend that *the hours during the months of July and August, should be from 9 A. M. to 4 P. M.*, except on Saturdays, when they should be until 3 P. M.

It was further resolved that copies of this resolution be sent to the Select and Common Councils of this City.

All of which is respectfully submitted to the Honorable the Select and Common Councils of Philadelphia.

JAMES C. HAND,
Vice President Phila. Board of Trade.

PHILADELPHIA MARITIME EXCHANGE,

Philadelphia, February 6, 1879.

JOSEPH L. CAVEN, ESQ.,
Philadelphia.

DEAR SIR:—I enclose herein a copy of a preamble and resolutions that have been adopted by the Philadelphia Board of Trade and the Philadelphia Maritime Exchange.

The Delaware Breakwater is rapidly becoming one of the most important ports of call on the Atlantic coast of the United States, and the commercial interests of Philadelphia are being thereby favored.

I will be glad if the City Councils will take similar action.

Yours, very truly,

EDWARD K. STEVENSON,

Chairman of Meteorological Committee.

RESOLUTION

Of request to the General Assembly of the State of Pennsylvania.

Resolved by the Select and Common Councils of the City of Philadelphia, That the General Assembly of the Commonwealth of Pennsylvania be, and is hereby, respectfully requested and urged to pass the annexed bill entitled "An Act to authorize cities of the first class to levy and fix the annual tax rate, to establish a method for the proper ascertainment thereof, and to regulate the appropriations and expenditure of the money raised and provided in accordance with the provisions of this Act, and prescribing penalties for the violation of the same."

—

AN ACT

To authorize Cities of the first class to levy and fix the annual tax rate, to establish a method for a proper ascertainment thereof, and to regulate the appropriations and expenditure of the money raised and provided in accordance with the provisions of this Act, and prescribing penalties for the violation of the same.

SECTION 1. *Be it enacted by the Senate and House of Representatives, &c.*, That from and after the first day of January

1879, it shall be the duty of the Councils of cities of the first-class to make the annual appropriations to the different Departments, Boards, and Commissions, of said cities that may be necessary for the support and maintenance of the said Departments, Boards, and Commissions, and also for the payment of all interest on the public debt and the sums required by the various sinking funds for the fiscal year next ensuing, on or before the first day of July in each and every year; no appropriations shall be made other than those abovementioned.

SECT. 2. And thereupon, it shall be the duty of the said Councils in said cities of the first-class to fix the tax rate, on or before the first day of October following, in each and every year for the fiscal year commencing January 1st, next ensuing, so that the books of the Receiver of Taxes may be opened on the said first day of January, and the payment of taxes by the owners of property commence at that time.

SECT. 3. The said tax rate shall be ascertained and fixed by the said Councils in the manner following: They shall estimate the average of the income annually derived by said cities from all sources other than taxation for the period of ten years immediately preceding the current year, and to the amount so found to be the average of income from such sources they shall add a sum which, together with the said average amounts, will make a total sum equal to the total of all the annual appropriations made as aforesaid, and shall thereupon fix and levy a tax rate sufficient, beyond all allowances for failure in the collection and deficiencies in said taxes so levied, to raise the said total sum so ascertained to be required to be raised by taxation, the determination of the said allowances and deficiences to be based on an estimation of the annual average and percentage of taxes actually collected during the ten (10) years immediately preceding the said current year; *Provided*, That the said Councils shall so discriminate in levying the taxes as not to impose upon the rural portions those expenses which belong exclusively to the built portions of said City, as now provided by law; *Provided*, Said Councils shall fix such a tax rate, ascertained as aforesaid, as shall fully cover the annual appropriations so previously made by them, with the amounts

falling due for interest on the municipal debt, and the sums required by the various sinking funds.

SECT. 4. If the said Councils of said cities shall fix the tax rate so that the amount of money to be actually realized from the said tax rate, ascertained as aforesaid, together with the aforesaid average income from all sources other than taxation, shall be less than the aggregate appropriations so made by them and the interest on the municipal debt and the sums required by the various sinking funds, then the said appropriations other than the said interest and the sinking fund, shall be reduced by said Councils the percentage of said deficiency; and in default of said Councils making the said reduction as aforesaid, then and in that event, it shall be the duty of the City Controller, before countersigning any warrants, to make the said reduction upon the basis of calculation as set forth in Section 3 of this Act.

SECT. 5. No city of the first-class, no head of any Department thereof, and no Commission, Board, or Trust, or any other agent, officer, or employe of either or any thereof, exercising any powers of government therein, either in the making of contracts, the approval thereof, or in the authorization of the expenditure of the money of said cities of the first-class in any manner whatever, shall hereafter make any contract without a previous appropriation has first been made by the said Councils, draw, issue, or approve any warrant for any expenditure by such Department, Commission, Board, or Trust, or any other agent, officer, or employe, unless an appropriation has been previously made in accordance with the provisions of this Act. And no warrant shall be drawn against any item in said appropriations in excess of said item; and any contract made or warrant issued in violation of the requirements of this Act shall be absolutely void as against said cities, and any Head of Department, Board, Commission, or Trust, agent, officer, or employe issuing such warrant shall be deemed guilty of a misdemeanor, and upon the conviction thereof, shall be fined a sum not exceeding five thousand (5,000) dollars, and imprisoned for a term not exceeding three years, and be hereafter forever disqualified from holding any office or position of trust under the State or any county or municipality thereof, and the countersigning of

any warrant or warrants by the City Controller contrary to the provisions of this Act, shall likewise constitute in such officer a misdemeanor, and shall subject him to like penalties as hereinbefore provided: *Provided*, That nothing contained in this Act shall be construed to relieve or exempt any officer or other person violating its provisions from liability to any other punishment or penalties now provided by law.

SEC. 6. That all Acts or parts of Acts inconsistent herewith are hereby repealed.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered resolution of request to the Legislature of the State of Pennsylvania, to fix the fees of the Recorder of Deeds, and report the same back, and recommend its passage.

RESOLUTION

Of request to the Legislature of the State of Pennsylvania, to fix the fees of the Recorder of Deeds.

Whereas, By the provisions of Section 5, Article 14, new constitution, the Office of Recorder of Deeds has been made a salaried office; and the salary Act approved March 31, 1876, fixes salaries, directs the mode and time of payment, how accounts should be kept, &c., in great detail.

And whereas, By Sections 6 and 16 of said Act, the Recorder of Deeds receives only the balance left towards the payment of his salary after paying all clerks, &c., out of fees earned.

And whereas, The present legal fees do not produce sufficient income to pay the salaries and expenses for books, stationery, incidentals, and for janitor's services incident to the office in this City.

And whereas, No increase over any fees fixed by Acts of Assembly passed since 1836, is made by the passage of the proposed bill, and the legal fees at present are lower than in any other county of the Commonwealth.

And whereas, The number of clerks in the office are barely sufficient for the prompt and efficient discharge of the very extensive business of the office and the salaries paid, (fixed by the Salary Board) cannot be reduced without decreasing the efficiency of the service.

And whereas, This bill for the increase of fees meets the approbation of the Conveyancers' Association of Philadelphia; therefore

Resolved by the Select and Common Councils of the City of Philadelphia, That the General Assembly of the Commonwealth of Pennsylvania be, and is, hereby requested to pass the Act now before them entitled "An Act to ascertain and appoint the fees to be received by the Recorder of Deeds, in and for the counties of this Commonwealth, containing more than five hundred thousand (500,000) inhabitants."

DEPARTMENT OF CITY CONTROLLER,

Philadelphia, January 20, 1879.

To the Finance Committee of Councils.

GENTLEMEN:—In compliance with ordinance approved May 9, 1878, entitled "An Ordinance to require the City Controller to report all warrants countersigned by him, and all mandamuses paid by the City Treasurer weekly," I herewith transmit my reports for the weeks ending December 23d and 31st, 1878.

The City Treasurer reports having made no payments on mandamuses during that time.

Very respectfully,

ROBT. E. PATTISON,

City Controller.

Per W. N. HIRST,

Chief Clerk.

AN ORDINANCE

To authorize the paving of McClellan street, from Fifth street to Sixth street, in the First Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Chief Commissioner of Highways be, and is, hereby authorized and directed to enter into a contract with a competent paver or pavers for the paving of McClellan street, from Fifth street to Sixth street, in the First Ward, with cobble pavement, cost of intersections not to exceed thirty-seven dollars and thirty-three cents. The conditions of which contract shall be, that the contractor or contractors shall collect the cost of said paving from the owners of property respectively fronting on said street, and shall also enter into an obligation to the City to keep said street in good repair for three years after the paving is finished. *Provided*, Said street is first dedicated or properly opened; *And provided*, The Chief Commissioner

of Highways first advertise for proposals for paving said street and award the contract to the lowest bidder, and that the owners of property fronting on said street shall not be charged more than the contract price.

APPENDIX No. 29.

Philadelphia, February 6, 1879.

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinance restraining the heads of City departments from awarding contracts to parties who have defaulted in payment of labor or material, respectfully report, that we have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

AN ORDINANCE

Restraining the heads of City departments from awarding contracts to parties who have defaulted in payment of labor or materials.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the heads of the several departments of the City of Philadelphia be, and are, hereby authorized and directed to award no contract for work or materials to any party or parties who have previously defaulted in their payments for either work or materials.

SECT. 2. All ordinances or parts of ordinances inconsistent herewith be, and the same are, hereby repealed.

APPENDIX No. 30.

RESOLUTION

Of request to the Senate and House of Representatives of the United States.

Whereas, There lies contiguous to League Island, which was ceded by the City of Philadelphia to the United States Government, in pursuance of an Act of Congress approved February 18, 1867, more than four square miles of territory within the limits of said City, which being lower than the tidal range, is protected from an overflow by an ancient meadow bank, of seven miles in length, along the Delaware and Schuylkill rivers;

And whereas, The City of Philadelphia, by An Ordinance of Councils approved December 31, 1878, has provided in conjunction with the companies chartered for the erection and maintenance of said banks, that they may be extensively enlarged and repaired, which can be most advantageously done by dredging out the channels and marshes contiguous to the present banks;

And whereas, Two miles of this bank lies from one to three hundred feet within the limits of the Government property, between the Back Channel and Government avenue, both of which could be advantageously constructed conjointly; the excavation of the channel for vessels furnishing the embankment for Government avenue, which is established of the width of one hundred feet, and much needed for access to the extensive shipping at Greenwich Point, on the Delaware, and of Girard Point, on the Schuylkill river, and the United States Navy Yard at League Island; therefore

Resolved by the Select and Common Councils of the City of Philadelphia, That the Senate and House of Representatives of the United States be, and they are, hereby earnestly requested to take into early consideration whether it will be better to repair and maintain such part of the embankment as lies within the lines of the Government property, or to make the said embankment upon the line of Government avenue, and to join in this much needed enterprize and make an appropriation to defray a portion of the cost.

APPENDIX No. 31.

RESOLUTION

Of request to the City Solicitor relative to water rents.

Resolved by the Select and Common Councils of the City of Philadelphia, That the City Solicitor be requested to transmit to Councils if there is any law, and when enacted, that gives to the Chief Engineer of the Water Department the authority, in levying water rents, to charge butchers for the use of water, in killing or dressing animals, 5 cents per head for all such animals as they may kill and dress.

APPENDIX No. 32.

RESOLUTION

To meet in Joint Convention to elect a member of the Board of Port Wardens.

Resolved, That Select Council be invited to meet Common Council in Common Council chamber, this afternoon, at 4½ o'clock, to elect a member of the Board of Port Wardens, in place of Ludlam Matthews, resigned.

APPENDIX No. 33.

Philadelphia, February 5, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Surveys and Regulations, to whom was referred the accompanying applications for branch sewers on Mt. Vernon, Broad, Hamberger, Tenth, and Ann streets, beg leave to report that they are necessary to the public health and cleanliness; the aggregate length

will be 2,012 feet, at a cost to the owners of property of $4,380, and to the City of $500.

Your favorable consideration of the accompanying ordinance is recommended.

DANIEL W. GILBERT,	EDWARD W. PATTON,
JOHN G. BROOKE,	JAMES L. MILES,
D. B. WENDLE,	BENJ. R. CASKEY.

AN ORDINANCE

To authorize the construction of sewers on Hamberger, Tenth, Ann, Mt. Vernon, and Broad streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the Department of Highways be, and is, hereby authorized to construct the following sewers, to wit: On Hamberger street, from sewer in Berks street to the south curb line of Norris street; on Tenth street, from the sewer in Cumberland street to Germantown avenue; on Ann street, from Seventeenth to Eighteenth street; on Mt. Vernon street, from Fifteenth to Broad street, thence on the west side of Broad street, from Mt. Vernon to Green street. Each with an inside diameter of three feet. Said sewers to be built of brick, circular in shape, and in accordance with specifications prepared by the Chief Engineer and Surveyor.

SECT. 2. The Chief Commissioner of Highways shall advertise according to law, announcing that bids will be received for the sewers above designated, and he shall allot them to the lowest bidders, and it shall be a condition of the contracts that the contractor shall keep the said sewers and that portion of the street along which the said sewers shall be laid in good order and repair for three years from and after the date of the completion of the said sewers, and shall accept the sums assessed upon and charged to the properties lying on the lines of said sewers, in manner and form authorized by ordinance entitled "An Ordinance regulating the assessment upon property for the construction of branch culverts or drains," approved May 12th, 1866, and supplement thereto, approved

February 16th, 1869; any excess over and above said assessment, in addition to that provided for by ordinance entitled "An Ordinance authorizing the Chief Commissioner of Highways to draw warrants for street intersections, manholes, and legal deductions in the construction of branch sewers," approved April 3d, 1868, to be charged to item (for branch sewers) of annual appropriation made to the Department of Highways for the year 1879; *Provided*, That said excess does not exceed the sum of five hundred (500) dollars.

APPENDIX No. 34.

RESOLUTION

Of instruction to the Committee on Finance, relative to tax rate and floating indebtedness of the City.

Resolved by the Select and Common Councils of the City of Philadelphia, That the Finance Committee be, and is, hereby instructed to prepare and transmit to the General Assembly of the State the draft of an act which shall regulate the levying of a tax rate and provide for the liquidation of the present floating indebtedness of the City in the manner following:

That the City Controller shall, on or before the second Thursday of November, furnish to Councils an estimate of the deficit upon the City's books at the close of the year, and a statement of the estimated expenses and revenue for the succeeding year.

That, on or before the second Thursday of December of each and every year, the City Councils shall, after deducting such proportion of the tax levy as may not be collectable during the current year (this proportion to be based upon the average of taxes which may have become delinquent during the five years immediately preceding), fix a rate of taxation which shall yield a sum sufficient, with the estimated receipts from other sources, to pay off the expenses of the city remaining unpaid upon the first of January, and to meet all lawful and proper demands that may be made upon the City Treasury during the year for which such tax shall have been levied; *Provided*, That the floating indebtedness, due and unpaid, of cities of the first-class which, at the time of the passage of the act, exceed one per centum upon the

assessed valuation of taxable property, shall be divided into ten equal parts, and City Councils shall make provision so that each part thereof may be paid in the ten successive years next following the passage of the act.

That, on or before the fourth Thursday of December of each and every year, the City Councils shall, from the first moneys received in payment of taxes, set apart such sums as shall be estimated to be necessary to liquidate such floating indebtedness as may remain unpaid upon the first of January of the year following.

That City Councils shall also appropriate such sums as shall be necessary for the semi-annual payments of interest upon the funded debt, Sinking Fund payments, interest on warrants, and mandamuses. The balance of the moneys to be realized by taxation, receipts from other sources and cash in Treasury, shall be apportioned, at the discretion of Councils, among the several departments in proportion to the estimated requirements thereof.

That any appropriations of City moneys over and beyond this balance shall be void, and shall have no binding force upon the municipality; and each and every Councilman who shall vote for such appropriation shall be guilty of a misdemeanor and liable to a fine not exceeding one thousand dollars and imprisonment not exceeding one year; *Provided*, That in case of public emergency or casualty the City Councils, by the affirmative vote of three-fourths of the members elected to each branch, may appropriate such moneys as are necessary for the purposes of public safety and good government, the amount so raised to be provided for in the first succeeding tax levy.

That it shall be the duty of the District Attorney, within two months after the passage of such ordinance, to prepare a bill of indictment arraigning each and every Councilman who shall have voted for the passage of the appropriation ordinance, and present the same to the Grand Inquest for action; and the failure of the District Attorney to take such steps shall be an offence punishable by removal from office, and the imposition of a fine and imprisonment.

That Councils shall not authorize, nor shall officers of any kind make contracts by which the City can be bound beyond the amount of the actual tax levied to meet such obligations at the time they become binding on the City.

APPENDIX No. 35.

VESSEL OWNERS AND CAPTAINS' ASSOCIATION,

Philadelphia, February 8, 1879.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—At a stated meeting of the Board of Directors of the Vessel Owners and Captains' Association, held on the 5th instant, the following resolutions were unanimously adopted, viz.:

Resolved, That the thanks of the Vessel Owners and Captains' Association are eminently due, and are hereby tendered to the Mayor and City Councils, as well as to Franklin Dundore, Esq., Chairman of the Navigation Committee, for their valuable services and influence at Washington, in urging action on the part of Congress, looking to the improvement of the navigation of the Delaware and Schuylkill rivers.

Resolved, That the action taken by them be, and the same is, hereby heartily approved.

Resolved, That a copy of these resolutions be sent to each Chamber of Councils.

By order of the Board of Directors.

CHAS. H. STEELMAN,
Secretary.

DEPARTMENT OF CITY CONTROLLER,

Philadelphia, February 17, 1879.

To the Finance Committee of Councils.

GENTLEMEN:—In compliance with Ordinance approved May 9th, 1878, entitled "An Ordinance to require the City Controller to report all warrants countersigned by him, and all mandamuses paid by the City Treasurer, weekly," I herewith transmit my report for the week ending February 15, 1879.

The City Treasurer reports having made no payments on mandamuses during the past week.

Very respectfully,

ROBT. E. PATTISON,

City Controller.

APPENDIX No. 47.

Philadelphia, March 5, 1879.

To the Select and Common Councils
of the City of Philadelphia.

Gentlemen:—Your Committee on Surveys and Regulations, to whom was referred the accompanying applications for sewers, report that their locations and necessities have been examined into by the Board of Surveyors, who approve and recommend their construction, as both public and private interests will be greatly benefited thereby. A statement from the Board represents that their aggregate length will be 1,641 feet, the cost of which will be entirely covered by the assessment bills. We respectfully ask your approval of the ordinance herewith submitted.

AN ORDINANCE

To authorize the construction of sewers on Bucknell, Race, and Eighth streets.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Highways be, and is, hereby authorized to construct the following sewers, viz.: On Bucknell street, from Hare street to Brown street; on Race street, from Chester street to Ninth street, and on Eighth street, from Girard avenue to Poplar street, each with a clear inside diameter of three feet. Said sewers to be built of brick, circular in shape, and in accordance with specifications prepared by the Chief Engineer and Surveyor.

SECT. 2. The Chief Commissioner of Highways shall advertise according to law, announcing that bids will be received for the sewers above designated, and he shall allot them to the lowest bidders, and it shall be a condition of the contracts that the contractor shall keep the said sewers and that portion of the street along which the said sewers shall be laid in good order and repair for three years from and after the date of the completion of the said sewers, and shall accept the sums assessed upon and charged to the properties lying on the lines of said sewers in manner and form authorized by ordinance entitled "An Ordinance regulating the assessment upon property for the construction of branch culverts or drains," approved May 12th, 1866, and supplement thereto, approved February 16th, 1869, any excess over and above said assessment, in addition to that provided for by ordinance entitled "An Ordinance authorizing the Chief Commissioner of Highways to draw warrants for street intersections, manholes, and legal deductions in the construction of branch sewers," approved April 3d, 1868, to be charged to item (for branch sewers) of annual appropriation made to the Department of Highways for the year 1879.

APPENDIX No. 48.

RESOLUTION

Of request to the House of Representatives and Governor of the Commonwealth of Pennsylvania relative to House Bill No. 103.

WHEREAS, There is now before the House of Representatives a bill providing for the appointment of a Commission

to ascertain the losses inflicted during the riots in the City of Pittsburg in August, 1877, and requiring the State of Pennsylvania to make compensation thereof;

And whereas, The immunity therein established would remove an incentive to proper local government;

And whereas, The City of Philadelphia, when called upon at the time of the said riots, to render service to the State in the preservation of law and order, suffered in the persons of her citizen soldiery thereabout employed, and must hereafter sustain a large share of the burden imposed by said legislation, in spite of her own conduct and efforts in that behalf; therefore

Resolved by the Select and Common Councils of the City of Philadelphia, That the House of Representatives be, and are, hereby requested not to pass House Bill No. 103, and in case said bill be passed notwithstanding the passage of this resolution, that then his Excellency, the Governor of the State, be, and is, hereby requested to withhold his signature from said bill, and that he return the same with his veto to the House from which it came; and further, that the Clerks of Councils forward certified copies of this resolution to the Speaker of the House of Representatives and the Governor of the State forthwith.

Philadelphia, February 24, 1879.

To the Finance Committee of Councils

GENTLEMEN:—In compliance with ordinance approved May 9, 1878, entitled "An Ordinance to require the City Controller to report all warrants countersigned by him, and all mandamuses paid by the City Treasurer weekly," I herewith transmit my report for the week ending February 22, 1879.

The City Treasurer reports having made no payments on mandamuses the past week.

Very respectfully,

ROBERT E. PATTISON,

City Controller.

DEPARTMENT OF CITY CONTROLLER,

Philadelphia, March 3, 1879.

To the Finance Committee of Councils.

GENTLEMEN:—In compliance with ordinance approved May 9, 1878, entitled "An Ordinance to require the City Controller to report all warrants countersigned by him, and all mandamuses paid by the City Treasurer weekly," I herewith transmit my report for the week ending March 1, 1879.

The City Treasurer reports having made no payments on mandamuses the past week.

Very respectfully,

ROBERT E. PATTISON,

City Controller,

per W. N. HIRST, *Chief Clerk.*

AN ORDINANCE

To approve the contract and sureties of Thomas W. Wright, for building school-house on Fourth street, south of Lehigh avenue, in the Nineteenth Section

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the contract of Thomas W. Wright, for the building of a school edifice on Fourth street, south of Lehigh avenue, for the sum of twenty-eight thousand nine hundred and ninety-five (28,995) dollars be, and the same is, hereby approved, and that Jacob Gonaver, George Woelpper and Benjamin H. Brown be, and they are, hereby approved as the sureties of said Thomas W. Wright, for the faithful performance of the said contract.

SECT. 2. That the City Solicitor be directed to file an agreement of record that the lien of the judgment on the bond accompanying the said contract be restricted to the following described properties, viz.: As to Jacob Gonaver to all that certain lot or piece of ground situate in the Twenty-

second Ward, on the northwest side of Sharpnack street, at the distance of three hundred and seventy feet nine inches northeast from the northeast side of Main street, containing in front on Sharpnack street sixty feet, and in depth northwesterly of that width eighty-five feet six inches; and as against Benjamin H. Brown to all that certain lot on the northwest side of Beach street, at the distance of one hundred and forty-four feet eight and one-eighth inches southwest of the southwest side of Shackamaxon street, containing in front on said Beach street forty feet and five-eighths of an inch, and extending in length or depth northwesterly of that width one hundred feet four and a-half inches; and also all that certain lot on the south side of Brown street two hundred and two feet and five-eighths of an inch eastward from the east side of Twelfth street, in front on Brown street eighteen feet, and in depth eighty feet; and as against Benjamin H. Brown and George Woelpper to lot on northwest side of Richmond street, beginning at the distance of five hundred and fifty-eight feet three and a-half inches southwest of York street; thence southwest along said Richmond street one hundred feet to a point; thence still southwest along said Richmond street one hundred and forty-two feet to a point in the middle of Gunner's Run; thence northeast along the middle of said Gunner's Run two hundred and seventeen feet to a point; thence still northeast along middle of said Run thirty-seven feet two and three-fourths inches in the line of ground of John Longstreth; thence southeast along same at right angles to said Richmond street two hundred and twenty-three feet seven and a-quarter inches to the northwest side of said Richmond street and place of beginning.

APPENDIX No. 66.

Philadelphia, March 20, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered a petition and ordinance from the Old Man's Home, in the Twenty-fourth Ward, asking Councils to remit part of claim for water-pipe against the property belonging to the Home, and for the reasons contained in the opinion of the City Solicitor hereto appended, report the petition and ordinance back with a negative recommendation, and ask the passage of the annexed resolution.

LAW DEPARTMENT,

Philadelphia, March 10, 1879.

To JOHN A. CLARK, ESQ.,
Chairman Finance Committee.

DEAR SIR:—In answer to your communication in relation to the ordinance in relief of the "Old Man's Home," I have to say as follows:

Judge Biddle, in delivering the opinion of the Court in the case of the "Northern Home for Friendless Children," says, "that the object of the 7th section of the 9th article of the new Constitution is to prevent the money of the taxpayers from being given either to corporations, associations, or individuals."

In this view of the law the proposed ordinance releasing the above-named institution from the payment of the claim

due the City is clearly illegal, for there can be no difference between the giving of money actually in the treasury and of that which should eventually find its way there.

If the quesiton were an open one, unfettered by the above decision, I should incline to a different view of the matter, since the City receives consideration for such a release in the support of some who would otherwise be a charge upon her treasury.

Yours, respectfully,

WM. NELSON WEST,

City Solicitor.

RESOLUTION

To discharge the Committee on Finance from the consideration of petition and ordinance for a reduction in claim for water pipe against property of the Old Man's Home, in the Twenty-fourth Ward.

Resolved by the Select and Common Councils of the City of Philadelphia, That the Committee on Finance be discharged from the further consideration of petition and ordinance for a reduction in claim for water pipe against property of the Old Man's Home, in the Twenty-fourth Ward.

APPENDIX No. 67.

OFFICE OF THE WARDENS FOR THE PORT OF PHILADELPHIA.

All vessels arriving at and departing from the port of Philadelphia are notified to report at the Warden's office.

Penalty for neglecting to report, from $10 to $50.

By several Acts of the Legislature of Pennsylvania, the captains or masters of every vessel arriving from and clearing for a foreign port, and of every vessel of 75 tons burden or over, arriving or clearing coastwise, must report the said vessel within twenty-four hours after arrival, and also report before leaving the port the name of said vessel, her draught of water, her tonnage, the name of her pilot, the port from which she comes, and the port for which she clears.

The entry and clearance will be made free of charge. No fees of any kind will be demanded.

The penalty will be enforced for a failure to report.

In addition to the Acts of the Legislature, City Councils have instructed the Board of Wardens, by resolution, January 16, 1879, to keep an official record of the arrival and clearance of vessels at the port, and to report the same monthly to Councils.

The coöperation of captains, owners, and consignees is asked to secure official statistics of the shipping of the port, which information will at all times be open to the public, and be a reliable source to which reference may be made in the future.

CHRISTIAN K. ROSS,
Master Warden.

Philadelphia, March 3, 1879.

It was resolved, That the communication from the City Solicitor, giving his opinion that the collection of Port Wardens' fees cannot be enforced, be, and is, hereby referred to Councils, and their instructions in the matter of further collections from vessels arriving at this port be respectfully asked for.

Philadelphia, January 2, 1879.

WM. NELSON WEST, ESQ.,
City Solicitor.

DEAR SIR:—Under the several Acts of Assembly, and the regulations of the Board of Wardens made in pursuance thereof, all vessels of over 75 tons burden arriving at this port are required to pay certain fees, called Port Wardens' fees. These fees, when collected, are returned to the City Treasurer, and if collected upon every vessel arriving would be the source of a revenue to the City of several thousands of dollars annually.

The "Vessel Owners' and Captains' Association" have for some years refused to pay the fees, on the ground that the fee is a tax on tonnage imposed by a State, "without the consent of Congress," and therefore unconstitutional. This association controls chiefly, if not entirely, American sailing vessels engaged in the coasting trade.

In the case of foreign vessels and vessels arriving from foreign ports, the owners, captains, consignees, &c., upon the strength of the "Vessel Owners' and Captains' Association's" refusal, also refuse to pay the Port Wardens' fees.

This being a matter concerning the revenue of the City, this Board respectfully asks for your opinion,—

First. As to their right to demand and collect the Port Wardens' fees from vessels arriving at this port from other ports in the United States.

Second. As to their right to demand and collect the Port Wardens' fees from vessels arriving at this port from other ports outside of the United States.

Third. As to whether or not there is any difference in the status of American vessels and foreign vessels arriving at this port from other ports.

I would respectfully ask for as early a reply as your convenience will admit.

Very truly yours,

(Signed) JONA. GILLINGHAM,

LAW DEPARTMENT,

Philadelphia, February 3, 1879.

JONA. GILLINGHAM, ESQ.,
Secretary Board of Port Wardens.

DEAR SIR:—I have your favor of the 2d ult., asking my opinion as to the right of your Board to collect certain fees, called Port Wardens' fees, from vessels arriving from other ports in the United States, and also from foreign ports, and whether there is any difference in the status of American and foreign vessels in regard to such collection.

The Constitution of the United States, by Article I, Section VIII, Clause 4, vests in Congress the power to regulate commerce with foreign nations and among the several States," and by Article I, Section X, Clause 2, provides that "no State shall, without the consent of Congress, lay any duty on tonnage."

The Legislature of Louisiana having passed a statute enacting that the Master and Wardens of the port of New Orleans should be entitled to demand and receive, in addition to other fees, the sum of five dollars, whether called on to

perform any service or not, for every vessel arriving in that port, the Supreme Court of the United States, in the suit of the Steamship Company *vs.* Port Wardens, brought to resist the recovery of this fee (reported 6 Wall, 31), decided the statute to be repugnant to the above quoted clauses of the Constitution, inasmuch as the statute was both "a regulation of commerce," and also "a tax on tonnage." This case bears directly upon the questions you have submitted, and I am therefore of opinion that the statutes of Pennsylvania, directing the collection of the fees which are the subject of your inquiry, never having received the consent of Congress, are unconstitutional, and cannot be enforced. I am also of opinion that there is no difference in the status of American and foreign vessels in regard to this matter.

Very truly yours,

WM. NELSON WEST,
City Solicitor.

RESOLUTION

Relative to the collection of Port Wardens' fees.

Resolved by the Select and Common Councils of the City of Philadelphia, That Councils acquiesce in the opinion of the

City Solicitor that the collection of Port Wardens' fees cannot be enforced, on account of being unconstitutional, and approve of the action of the Board of Port Wardens in not collecting them.

APPENDIX No. 68.

Philadelphia, March 30, 1879.

To the Select and Common Councils

AN ORDINANCE

To make an appropriation to the Board of Public Education to pay for building a school-house on the southwest corner of Broad and Macferran streets, in the Twenty-fifth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the sum of nineteen thousand two hundred and twenty (19,220) dollars be, and the same is, hereby appropriated to the Board of Public Education out of the loan for school purposes, approved December 30, 1873, to pay for the erection of a school-house on the southwest corner of Broad and Macferran streets, in the Twenty-fifth Ward; warrants for the same to be drawn by the Board of Public Education.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered an ordinance defining Item 27 of the bill entitled "An Ordinance to make an appropriation to the Department for Supplying the City with Water for the year 1879," approved January 10, 1879, also an ordinance defining bill entitled "An Ordinance to consolidate the various unexpended balances of water loans numbers 2, 3, 4, 5, and 6, into one item for the further extension of the Water Works," approved December 31, 1878, and for the reasons contained in the report of the Sub-Committee hereto appended, submit the annexed bill to make an appropriation out of item of unexpended balances of water loans for a twenty-inch water main, new boilers at Belmont and Spring Garden Water Works, and alterations and improvements in the Belmont pumping main, and recommend its passage.

Philadelphia, March 20, 1879.

To the Committee on Finance.

GENTLEMEN:—The Sub-Committee, to whom was referred an ordinance defining Item 27 of the bill entitled "An Ordinance to make an appropriation to the Department for Supplying the City with Water for the year 1879," approved January 10, 1879, also an ordinance defining bill entitled "An Ordinance to consolidate the various unexpended balances

of water loans numbers 2, 3, 4, 5, and 6, into one item for the further extension of the Water Works," approved December 31, 1878, respectfully report:

That they have held several meetings,—have carefully examined the subject,—have consulted with the Chief Engineer of the Department, and have arrived at the following conclusions:

First. Report negatively the ordinance offered to Councils. The Sub-Committee are very clearly of the opinion that certain items asked for are at this time unnecessary, and would not accomplish the object in view.

The $11,500 for laying 48-inch main; the $15,000 for stand-pipe and foundations; the $20,000 for boilers and foundations at Spring Garden Works; the $15,000 for new house, foundations, &c., at Spring Garden Works; the $38,500 for new engines at Frankford, making $100,000, can therefore be reserved for future use, subject to ordinance.

Your Sub-Committee would recommend an ordinance appropriating $25,000 for the extension of the twenty-inch main southward from the "Seven Stars Hotel" at Frankford, to Wheat Sheaf lane, thus utilizing the surplus power of the Frankford Works, and supplying the residents of Bridesburg and other portions of the Twenty-fifth Ward.

Also $5,000 for new boilers at Spring Garden Works; also $5,000 for new boilers at Belmont Works; also $5,000 for alterations and improvements in the Belmont pumping main (which is imperatively necessary,) which will add several millions to the daily capacity of these Works, and to that extent add to the supply demanded by the residents of the Twenty-eighth, Twenty-ninth, and Fifteenth Wards.

Your Sub-Committee would recommend the finishing of the small section of the East Park reservoir; the laying of pumping mains from the Spring Garden and Fairmount Works to said reservoir, thus utilizing the enormous power of Fairmount annually wasted. The laying of a connecting main to the Spring Garden basin; also the extension of large pipes in certain sections of the City now deficient in water supply,—these improvements to be kept in view, and carried

out as opportunity offers,—anything that is now done to be in harmony with, and part of the above proposed system.

The $40,000 recommended to be expended, to be taken from the item of unexpended balances of loans in ordinance approved December 31, 1878. Your Committee therefore submit the annexed ordinance, and recommend that it be reported in place of the two ordinances referred to them.

JOHN HUNTER, *Ch'n*, S. DAVIS PAGE,
DAVID WALLACE, S. G. KING.

AN ORDINANCE

To make an appropriation out of item of unexpended balances of water loans, to provide for a twenty-inch water main, new boilers at Belmont and Spring Garden Water Works, and alterations and improvements in the Belmont pumping main.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the sum of forty thousand (40,000) dollars be, and the same is, hereby appropriated out of item of unexpended balances of loans, in an ordinance entitled "An Ordinance to consolidate the various unexpended balances of water loans numbers 2, 3, 4, 5, and 6, into one item for the further extension of the Water Works," approved December 31, 1878, for the following purposes, viz.:

Item 1. For laying a twenty-inch main from "Seven Stars" at Frankford, to Wheat Sheaf lane, or as far as the amount appropriated in this item will permit, twenty-five thousand (25,000) dollars.

Item 2. For new boilers at Spring Garden Water Works, five thousand (5,000) dollars.

Item 3. For new boilers at Belmont Water Works, five thousand (5,000) dollars.

Item 4. For making alterations and improvements in the Belmont pumping main, five thousand (5,000) dollars.

And warrants shall be drawn by the Chief Engineer, in conformity with existing ordinances.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Surveys and Regulations, to whom was referred the accompanying ordinance, authorizing and directing the Department of Surveys to locate a street of twenty-five feet in width from Armat street to Mill street, along the line of the Wingohocking creek, in the Twenty-second Ward, for sewerage purposes, report that the matter has been carefully examined by the Board of Surveys and your Committee, the Board advising that such a street would give the shortest and least expensive line of drainage that could be adopted for this locality, and with reference to its width of twenty-five feet, state that the damages for the opening of a wider street and the saving to the City of heavy damages, would fully justify an exception to the general rule; we return the ordinance as referred, and respectfully ask its adoption.

To the Committee on Finance.

GENTLEMEN:—The Sub-Committee on Finance, to whom was referred the annexed resolution entitled "Resolution to appoint a joint special committee of three members from

each chamber, to consider the matter of increasing the revenue of the City;" also, report of the City Controller, Appendix of Select Council No. 26, in answer to resolution requesting "a detailed statement of delinquent taxpayers, and the amounts respectively due by them;" also, the official report of the Collector of Delinquent Taxes for the year 1878, and resolution of instruction to the Committee on Finance, relative to tax rate and floating indebtedness of the City, together with pending amendment, respectfully report that they held several meetings at the offices of the City Controller and Collector of Delinquent Taxes, and heard the statements of the City Controller, Receiver of Taxes, Collector of Delinquent Taxes, chief clerk of the Receiver of Taxes (Mr. Cramp), lien clerk of the Collector of Delinquent Taxes (Mr. Pfeifer), and Mr. Haworth, a member of the Board of Revision of Taxes.

Much of the information obtained from the parties examined had already been published to the world. We found the balance of outstanding taxes on the books of the Controller to be as follows:

For 1868 and prior thereto,	.	.	$3,590,000
For 1869 " "	.	.	490,772
For 1870 " "	.	.	68,711
For 1871 " "	.	.	61,170
For 1872 " "	.	.	133,453
For 1877 " "	.	.	2,775,000
For 1878 " "	.	.	2,676,043

Of which sum of $9,795,149, about $300,000 had been collected up to the 15th of March.

The Committee found on the books of the Collector a large number of delinquents, many of whom are abundantly able to pay, in the opinion of your Committee, and some at the present time holding high official positions, and receiving money from the very treasury that they ought to replenish, and for which there is so much need, and these delinquents belong not to any one political party, but are of all parties. Your Committee find that of this class many names appear on the books as delinquent from the creation of the office and the system consecutively to the present time.

The Committee are of opinion that a large amount of money has been lost to the City Treasury by reason of the failure of the Receiver of Taxes to advertise the names of delinquents and the location of properties, and the neglect by the Collectors of Delinquent Taxes to promptly file liens in accordance with law. The present Collector claims a discretion in both liening and selling properties found delinquent, in violation of the provisions of the law creating his office, which at section 4 says: "In case the said Collector of Outstanding and Delinquent Taxes shall neglect or omit to file any claim placed in his hands for collection not paid, or shall neglect or omit to proceed to sell any real estate against which a lien exceeding $10 may have been filed, according to the foregoing provisions of this Act, such neglect or omission shall be deemed a misdemeanor in office, and punishable, upon conviction, by a fine not less than three times the amount of said delinquent taxes, and removal from office by the Court in which such conviction shall take place." (See Purdon's Digest, p. 1380, P. L., 145.)

Your Committee think that he should proceed in strict accordance with the law. The Collector claims that his is an independent department of the City, and that he is not the agent of the Receiver of Taxes, but your Committee think that he occupies the same position as the Receiver of Taxes in the Twenty-third Ward, whom the Court determined in the case of the Commonwealth *vs.* Haworth, 3 Brews. 445, to be merely a subordinate clerk of the general receiver. The receiver of the Twenty-third Ward is created by special Act of Assembly, appointed by the general receiver, and gives security to the City the same as the Collector. This view is in accordance with the requirement of the Act 24th March, 1870, section 3; that he shall report all collections and payments to the Receiver of Taxes, from whom he receives his appointment.

The Committee found that after the receiver's accounts had been audited by the Controller each year, it was customary for the department to destroy the personal tax books, although they contained receipts which might be used at a future election. In 1878 Mr. Cramp burnt fifty-one books, containing 10,200 blank poll tax receipts, with the seal of the Mayor upon each. Your Committee think this a very repre-

hensible custom. The Committee believe that any tax-payer becoming delinquent, ought not to have any allowance made by the Board of Revision of Taxes, and their right to make allowances ought to extend up to the time the tax-payer becomes delinquent, and not beyond that time.

The Committee are of opinion that authority should be given to a commission, consisting of the Receiver of Taxes, the Collector of Delinquent Taxes, the City Controller, the Board of Revision of Taxes, and the Chairman of the Committee on Finance, to settle all taxes now outlawed, and at once strike from the books all such found worthless. The Committee are of opinion that the Receiver of Taxes should advertise within one week of the 15th of January the names of all the delinquents, the property upon which the tax is due, and the amount of the same, as required by Act 23 May, 1874, section 5.

This advertising is an essential part of the process of collection of delinquent taxes, and as such is included in the expenses of collection specifically ordered to be paid by the Collector of Delinquent Taxes, and should be paid by him out the compensation allowed by section 5, of the 24th of March, 1870.

The Committee are of the opinion that all moneys received should be paid into the City Treasury daily, and that the Tax Department should be no exception to the requirements of existing ordinances. The inadequacy of the security given by the Collector of Delinquent Taxes, as required by law, makes any other course of conduct hazardous.

The ordinance approved the 24th of December, 1878, to systematize and arrange a better mode of keeping accounts in the several departments of the City, does apply to the Collector of Delinquent Taxes, and, in its provisions respecting the Receiver of Taxes and the returns to be made by him to the City Controller, governs the Collector of Delinquent Taxes as his clerk or agent, and brings the operations of his office under the eye of the bookkeeper chosen by the people —the City Controller—the very object of that ordinance.

The Committee are of opinion that the application of the provisions of that ordinance to the Collector of Delinquent Taxes would bring into the Controller's office a record of all taxes unpaid and liened; and that the present uncertainty

upon the subject of the condition of unpaid taxes would be greatly relieved were the City Solicitor to act in conjunction with the Collector of Delinquent Taxes for the protection of the City's interests. All taxes should be a lien upon real property till paid.

Mr. Donohugh informed the Committee that he had paid into the City Treasury in 1878 over $1,750,000, and that upon all payments made to him or to his deputies, there was collected not only the amount of the register as handed to him by the Receiver of Taxes, which amount included the five per cent. penalty, and the cost of advertising, as charged by Act of 21st March, 1862, of fifteen cents, but in addition thereto a further commission of five per cent. on that amount, as well as the separate charges imposed by the Act of April, 1861, relating to collecting of taxes by the Receiver of Taxes, and the collectors under that Act appointed by him; and that the total commission received by him from the delinquents, in accordance with this custom, would amount to eleven per per cent. as the sum paid over.

The gross compensation of the office of Collector of Delinquent Taxes would in 1878 have amounted to at least $192,500, and as the costs of the office are estimated by him to be about $45,000, the net profits to be divided between the Collector and his deputies would then have been $147,500 on the basis stated.

Your Committee beg to report that they have given the subject committed to their charge a careful consideration, and that the limited time before the adjournment of the Finance Committee, by reason of the dissolution of Common Council, has necessarily curtailed their investigations.

RESOLUTION

To appoint a Joint Special Committee of three members from each chamber to consider the matter of increasing the revenue of the City.

Whereas, It appears by the report of the Board of Revision of Taxes that there is a continued depreciation in the value of real estate, and also by the report of the Collector

of Delinquent Taxes to Councils, that there is a large amount due from outstanding taxes prior to 1878, and also by the report of the Receiver of Taxes to the City Controller, and by that officer to Councils, that about two millions or 20 per cent. of the entire tax levy of 1878 remains uncollected; therefore, be it

Resolved by the Select and Common Councils of the City of Philadelphia, That a Joint Special Committee of three (3) members from each Chamber be appointed to confer with the Receiver of Taxes, Collector of Delinquent Taxes, and City Controller, and report to these Councils such suggestions as may be deemed advisable for an increase in the City's revenue, in order that the tax rate to be fixed by Councils hereafter may be materially lessened.

APPENDIX No. 85.

Philadelphia, April 1, 1879.

To the Presidents and Members of Select
and Common Councils of the City of Phialdelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the ordinance to authorize the opening of Wright, Sharswood, and Stewart streets, from Twenty-fourth to Twenty-seventh street, in the Twenty-ninth Ward, respectfully report that they have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

Philadelphia, April 1, 1879.

To the Chairman and Members
of the Highway Committee.

GENTLEMEN:—Your Sub-Committee, to whom was referred the ordinance to open Wright, Sharswood, and Stewart streets, from Twenty-fourth street to Twenty-seventh street, in the Twenty-ninth Ward, would respectfully report that the above streets were last year ordered by Councils to be placed on the public plan of the City, in order to open up the property in that vicinity, a considerable portion of which is

owned by the City. The Survey Committee carefully considered the same, and Councils ordered said streets upon the public plans, untrammelled by any conditions whatever, upon a full advisement as to the expediency and cost thereof. Your Sub-Committee is therefore of the opinion that said ordinance should pass as presented to Councils, and so recommend.

THOS. M. HAMMETT, *Ch'n*, JOHN A. MISKEY,
D. MCMONAGLE.

AN ORDINANCE

To authorize the opening of Wright, Sharswood, and Stewart streets, in the Twenty-ninth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Chief Commissioner of Highways be, and is, hereby authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notice, said streets will be required for public use, viz.: Wright street, from Twenty-fourth street to Twenty-seventh street, in the Twenty-ninth Ward; Sharswood street, from Twenty-fourth street to Twenty-seventh street, in the Twenty-ninth Ward; Stewart street, from Twenty-fourth street to Twenty-seventh street, in the Twenty-ninth Ward.

LAW DEPARTMENT,

Philadelphia, March, 1879.

To the Presidents and Members of Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—In reply to the resolution of request, passed by you on February 6th, I beg leave to say that I have been unable to find any law or ordinance authorizing the Chief Engineer of Water Department to make a charge to butchers of five per cent. per head of animals killed for water used by them. I may add that I have not been able to find any ordinance specifying water rates in detail. An ordinance of November 12, 1855, City Digest 570, pl. 34, directs that the water tenants of the city corporation shall be charged for the use of water furnished by the same for the year 1858, and thereafter the same rate which was charged by the corporation of the mayor, aldermen, and citizens of Philadelphia for the year 1854. A foot note gives a schedule of the rates charged at the time the digest was compiled, but I have been unable to ascertain the source or authority of the schedule there given, or by what authority the rates charged in 1854 were established. I suggest that a proper schedule of rates be prepared and fixed by ordinance.

Yours, respectfully,

WM. NELSON WEST,
City Solicitor.

per MATTHEWS,
Assistant Solicitor.

APPENDIX No. 90.

ANNUAL REPORT OF THE BOARD OF FIRE COMMISSIONERS.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—The Board of Fire Commissioners respectfully submit this their Eighth Annual Report of the condition and operation of the Department for the year ending December 31, 1878. Annexed hereto is a statement in detail of the expenditures, rolls of the several companies, the apparatus and material owned by the City, and under the charge of this Department, together with a statement of fires and alarms which have occurred during the past year, with the losses and insurance on the property exposed, and other matters of such general character as will tend to a correct knowledge of the workings of the Department.

Your Commission have reason to be thankful for the absence of any great destruction of property by fire during the past year, but this very immunity serves only to increase our anxiety to be extremely watchful, for in a vast city such as ours, no one knows when, where, or in what shape the calamity may come. Extreme cautionary measures are at all times necessary to insure success, and had there been any approach to a serious conflagration, the Department would doubtless have been equal to the emergency; we speak confidently, for we have unbounded assurance in the efficiency of the Department under our control. True, there are some weak spots, which will be strengthened when circumstances permit, but time and discipline will, we trust, still keep this Department up to the proud position which it has assumed ever since its organization. We have in previous reports directed

the attention of your Honorable Bodies to the worthless material of which a large percentage of the hose is composed that has been in use; we would again briefly beg your attention to the matter.

In conclusion, the Commission desire to avail themselves of this opportunity to express their thanks to the Committee on Fire Department, for their earnest co-operation in all matters tending to the success of the Department.

JACOB LAUDENSLAGER,
President.

REPORT OF CHIEF ENGINEER.

Philadelphia, January 1, 1879.

To the President and Members of the
Philadelphia Fire Commission.

GENTLEMEN:—In accordance with the requirements of the eleventh section of the ordinance approved on the twenty-ninth day of December, 1870, creating and reorganizing the Fire Department of the City of Philadelphia, I have the honor to submit this the Seventh Annual Report of the present condition and the efficiency of the department in my charge, embracing a statement in detail of the number of fires and the causes of such fires, the losses, and the insurance for the year, as near as it has been possible to obtain them.

Also a full and complete list of all the employees attached to the department, with the name, age, rank, residence, and occupation, with a schedule of property held in charge by the different companies on the first day of January, 1879. Also a tabular statement of the number of alarms by days, number of first, second, and third alarms, false alarms, fires where the losses have reached $20,000, Chief and Assistant Engineers' attendance at fires, company attendance at fires, together with such other information as may be of benefit for future reference.

The department as now organized consists of one Chief Engineer, five Assistant Engineers, twenty-eight foremen of engine companies, five foremen of hook and ladder companies, twenty-eight engineers of companies, twenty-eight firemen of companies, thirty-three drivers of companies, five tillermen of hook and ladder companies, two hundred and sixteen permanent hosemen, fifty permanent hook and laddermen, eight temporary hosemen in the rural districts, and

three permanent hosemen at hand engine stations. They are divided into thirty-three companies, as follows: Twenty-eight steam engine companies, five hook and ladder companies, with the addition of hose and hose carriage. There is also a hook and ladder truck at stations Nos. 12, 14, and 19, for use in rural districts. There is a hand engine, hose, and hose carriage, and all the necessary equipments, at each of the following rural stations: Chestnut Hill, Roxborough, and Kingsessing. There is also in the department six steam engines and two hook and ladder trucks used as substitutes.

Deaths and Accidents.

It again becomes my painful duty to record the deaths and accidents to the following members of the department while in the discharge of their duties.

Deaths.

William A. Spiskey, foreman, attached to Engine Company No. 2, died March 16, from injuries received February 19, by being struck in the head with a paving stone.

Patrick Cunningham, hoseman, attached to Engine Company No. 12, died May 6; cause of death, dropsy.

Accidents.

William F. Mooney, assistant engineer, slightly injured, caused by falling through hatchway at fire No. 226 Chestnut street. Alarm from box 2, January 31.

William A. Porter, assistant engineer, received severe sprain of ankle, caused by slipping in the street while visiting his stations, February 19.

Eugene Smith, hoseman, attached to Engine Company No. 1, leg slightly injured, caused by being thrown from hose cart while proceeding to fire. Alarm from box 128, March 25.

William Ludwick, hoseman, attached to Engine Company No. 3, received severe injuries about the head, caused in running against a partition while answering an alarm from box 231, January 12.

Thomas L. Senatz, foreman attached to Engine Company No. 3, badly scalded about the feet, at fire-alarm, local, June 7.

William Ludwick, hoseman attached to Engine Company No. 3, broke finger, caused by being caught in cylinder of hose cart at fire. Alarm from box 5, July 4.

Harry Hogg, hoseman attached to Engine Company No. 4, ankle severely sprained at fire. Alarm from box 128, March 25.

William H. Barnes, hoseman attached to Engine Company No. 11, hand severely cut, and Samuel Kidd, hoseman, head severely cut at fire. Alarm from box 128, March 25.

William Lanigan, hoseman attached to Engine Company No. 12, finger broke at fire. Alarm from box 156, January 30.

George Leask, hoseman attached to Engine Company No. 13, ankle severely sprained at fire. Alarm from box 237, June 7.

William G. McDade, foreman attached to Engine Company No. 15, eye severely burned at fire. Alarm from box 128, March 25.

Thomas Dooley, hoseman attached to Engine Company No. 16, severely injured about the back while at work in the repair shop, June 5.

John Morrisson, hoseman attached to Engine Company No. 17, slightly injured about the body, caused by falling walls at fire. Alarm from box 26, October 7.

James McGauhey, foreman attached to Engine Company No. 17, thumb badly injured, caused by cart colliding with a tree, while proceeding to fire. Alarm from box 343, October 10.

Washington Fulmer, hoseman attached to Engine Company No. 20, overcome with smoke at fire 713 Market street. Alarm from box 223, January 2.

John Money and W. Fulmer, hoseman attached to Engine Company No. 20, hands badly cut with glass at fire. Alarm from box 34, November 5.

Lewis C. Lindsay, hoseman attached to Engine Company No. 23, sprained hand and foot, caused by falling from third story of engine house while cleaning, May 7.

George Wentzel, hoseman attached to Engine Company No. 23, badly bruised about the body, caused by being run over by hose cart while proceeding to fire. Alarm from box 74, May 21.

John J. McKernan, foreman attached to Truck Company C, cap of knee injured at fire. Alarm from box 95, July 27.

James Rose, ladderman attached to Truck Company D, slightly injured, caused by axe falling on him at fire. Alarm, local, March 7.

George Gray, ladderman attached to Truck Company D, leg severely sprained at fire. Alarm from box 128, March 25.

Michael Connor, ladderman attached to Truck Company D, cap of knee injured, caused by slipping in the street, while proceeding to fire. Alarm from box 412, May 21.

John J. Winring, ladderman attached to Truck Company E, injured about the back, caused by being thrown from Truck, while proceeding to fire. Alarm from box 273, November 9.

Hose.

There are in use at stations forty-five thousand three hundred and twenty-eight feet of rubber hose, all with the Jones patent coupling.

Fuel Wagons.

There are six fuel wagons in the department, each capable of carrying one ton of engine coal and one-half cord of wood, to be used in case of large fires, where more fuel is required than is carried by the engines.

One stationed at headquarters, No. 1328 Race street.

One stationed at station No. 10, No. 810 Morris street.

One stationed at station No. 26, No. 1011 Hamilton street.

One stationed at station No. 27, No. 2202 Columbia avenue.

One stationed at station C, No. 1708 Frankford avenue.

One stationed at station E, corner Twentieth and Hand street.

Fires.

The accompanying statement shows that the whole number of fires attended by this department during the past year was seven hundred and forty-eight (748), with a loss of property amounting to one million three hundred and forty-two thousand six hundred and ninety three (1,342,693) dollars, which, by a comparison with the previous year, shows an increase of forty-nine (49) fires, and an increased loss of property of five hundred and fifteen thousand two hundred and seventy-four

(515,274) dollars. The losses, as near as could be ascertained, are covered by insurances amounting to seven million eighty-three thousand and sixty-nine (7,083,069) dollars.

Conclusion.

To the officers and members of the Fire Department I desire to return my heartfelt gratitude, for the faithful and efficient manner in which they have discharged the duties assigned them, and they deserve the highest praise for the promptness with which they have performed every task, no matter how severe, and for the universal spirit they have shown toward keeping up the credit and good name of the Fire Department.

The efficient workings of the department have been promoted by the intelligent and prompt manner with which Assistant Engineers Joseph T. Hammond, William A. Porter, Thomas Nicholson, James C. Baxter, and William F. Mooney, have at all times performed their duties.

The officers and members of the department have behaved as true firemen and good citizens, and have acted with but one object in view, that being the protection of life and property from destruction by fire.

In closing this report I desire to return my thanks to President Atwood Smith, Captain George R. Stilman, and Assistant Captain J. Henry Stephens, of the Fire Insurance Patrol, and to the efficient and ever active body of men attached to that organization, who have at all times rendered valuable assistance to the department.

I also return my sincere thanks to his honor the Mayor, William S. Stokley, Chief of Police Kennard H. Jones, Fire Marshal James S. Thompson, and the officers and men

attached to the Delaware and Schuylkill River Police and Fire Tug Boats for their ever prompt assistance rendered in time of need.

And to the President and members of the Fire Commission, I offer to each of you my thanks for the many acts of kindness done, and valuable suggestions offered to me in our official relations, and I only trust that my humble efforts to protect the property of our fellow-citizens may merit the favor I receive and the confidence which has been so fully accorded me.

Respectfully submitted,

WILLIAM H. JOHNSON,

Chief Engineer Fire Department.

APPENDIX No. 91.

Philadelphia, April 3, 1879.

To the President and Members of Common Council
of the City of Philadelphia.

GENTLEMEN:—Your Committee, to whom on motion of the Chairman, the subjoined resolution of instruction to the City Solicitor, directing him "to proceed in equity on behalf of the City of Philadelphia, against Messrs. Delos P. Southworth and Peter A. B. Widener, for the collection and recovery from them and each of them, of any and all benefits, gains, and advantages by these, the present and former servants of the said City, derived from contracts or agreements with banks made depositories of the moneys of the City, for the deposit of said moneys, and for a proper and correct accounting of the same to the City," was referred, do respectfully report:

That they held several meetings for the purpose of considering the ground upon which the resolution is based, and obtained under the hand of his Honor the Mayor of the City subpœnas, directed to Messrs. D. P. Southworth, P. A. B. Widener, and Peter Lane, Jr., and to the presidents and cashiers of the various banks made depositories, requiring their attendance before your Committee at different times, then and there to testify the truth as to such matters and things as they might lawfully be required to do in furtherance of the purpose of your Committee's appointment, as to the Mayor certified the public interests required, and directing the several presidents and cashiers to bring with them all correspondence with the said Widener, Southworth, and Lane, in reference to any money paid or loans made in return for the deposit of the City's money in their respective banks, and by special invitation endeavored to secure the personal attendance of the three gentlemen named, within whose knowledge rested the whole matter of inquiry.

The People's Bank, the City Bank, the Centennial National Bank, and the Union Bank, made answer as required by the subpœna, but the other depositories of the moneys of the City, responded only in writing; each and all of them however,

with more or less definiteness, denying the existence of any contract or understanding with Messrs. Widener, Southworth, and Lane, or with any one for them, whereby any profit or advantage in money or in accommodation was to be paid, or was paid to the said gentlemen, or either of them, for or in consideration of the deposits made with their several banks of the City's moneys.

The cashier of the People's Bank in person, and the president and himself by letter, were particularly specific in their denials of the existence of any contract and correspondence respecting, and the granting of any interest and loans as consideration for, such deposits in their bank.

Your Committee would express their gratification at this assurance in view of the fact, that during the months of March, April, and May, in the year 1877, the balance held by the Peoples' Bank to the credit of "the City Fund," as found by the Joint Committee of Councils to Verify the Cash Account of the City Treasurer, was $566,150.00, and remained so at the end of each month without the change of a single figure. (See S. C. App., Nos. 151, 152, and 187, on pages 370, 373, and 429, in the Journal of Select Council, Vol. I. 1877, respectively), and of the further fact that at the end of March, April, May, June, September, October, November, in 1876, the balances in the same bank were $750,000, $944,366.94, $919,366.18, $650,000, $600,000, $658,365.33, and $483,365.40, each respectively, as appears by the same reports (see Select Council's App. for 1876, Vol. I, at pages 411, 465, 520, and Vol. II, at pages 44, 979, 980, 1,048, and 1,081); though in direct violation of the ordinance approved 18th March, 1872, limiting the amount of money in any one depository to $300,000 at any one time.

The Girard National Bank, by William L. Schaffer, the cashier, says under date of 20th December, 1878, that "this bank has had no *correspondence* with Messrs. Widener, Southworth, or Lane, Jr., or either of them, in reference to any moneys paid to them or either of them, or loans made to them in return for deposits of the moneys of the City of Philadelphia; and we further state that neither of said gentlemen has ever received any compensation for moneys of the City deposited in this bank;" though the report of the Committee to Verify the Cash Account of the City

Treasurer shows the balances in January, February, March, April, May, September, and October of 1877, at said bank, to have been respectively $574,584.85, $547,641.10, $744,653.04, $525,506.52, $683,970.99, and $525,523.08. (Select Council App. Vol. I, 1877, pages 81, 294, 370, 429, and Vol. II, 1877, pages 868, 869, 964, 965), and though by same reports for 1876, during the tenure of the office by Mr. Widener, even larger balances than these were constantly left in this bank.

The banks, other than the People's, whose officers appeared before the Committee, had not, as a rule, held any large deposits, and none for any length of time.

Your Committee feel that the search for information among the banks was a hopeless task, as there exists no means of compelling attendance, and none of making any witness testify when before a Committee of Councils, even the oath taken being only binding in the forum of his own conscience. The need of Legislative help in this behalf has been felt and complained of before.

Pending the calling of the Committee together, Mr. Potter, late President of the City Bank, had died, and in vindication of his memory the present President and Cashier of the Bank came before the Committee, and submitted a correspondence between Mr. Southworth and himself, in reference to the discount of his note, for the payment of some expenses lately sustained by Mr. Southworth in his canvass for, and election to, the office of City Treasurer, when he had no individual account at the Bank, and was only known to Mr. Potter in his official capacity. The request had been refused by Mr. Potter on the ground that such an application was improper. Any inference reflecting upon Mr. Southworth from this piece of testimony could have been removed by his appearance before the Committee—had he been able to explain it; his continued absence and studied silence left an impression on the Committee which he has himself to thank for.

Indeed, your Committee regret to report that neither Mr. Southworth, Mr. Widener, nor Mr. Lane saw fit to answer the subpœna at all in any way, and so deprived the Committee of the pleasure of supplementing the unsatisfactory and cautiously worded answers by the several Banks, by the corroboration of the living truth from the witnesses who were

most interested in denying the charges so often made, and which gave rise to the resolution offered,—that great gains, other than the large salary paid, have been and are made directly or indirectly, through the mere depositing of the money of the City with the various depositories thereof. It is true that, "if any such officer shall enter into any contract "or agreement with any bank, corporation, or individual, or "association of individuals, by which said officer is to derive "any gain, benefit, or advantage from the deposit with such "bank, corporation, or individual or association, of any money "or valuable security held by him, or which may be in his "possession, or under his control, by virtue of his said office, "he shall be guilty of a misdemeanor, and on conviction be "sentenced to pay a fine not exceeding one thousand dollars, "and to undergo an imprisonment not exceeding one year; "and if still in office be adjudged thereafter incapable of ex- "ercising the same, and the said office shall be forthwith de- "clared vacant by the Court passing sentence," (See Purdon's Dig. p. 333, pl. 92.), and would be liable in equity for the money thus illegally made, at the suit of the City; but your Committee hardly feel justified in attributing the refusal of either Mr. Widener or Mr. Southworth to appear before them, to any fear of the consequence of doing so natural an act. It was your duty, and the duty of your Committee to learn if this great office had been, or was being made a spoil of, and it was the right of these gentlemen to have put at rest all doubt or question on the subject, if able.

From a review of the reports of the Committee to Verify the Cash Accounts of the City Treasurer, it would seem that much has been added to the burdens of the people by the maintenance of large balances, while the floating debt carrying interest remained unpaid. (Contrary to Ordinance of December 12, 1868, Dig. p. 100.)

In October, 1877, the attention of the Treasurer and of the public was drawn to this question by a resolution introduced by Mr. Wagner, of Twenty-second Ward (see Common Council Appendix No. 35, at p. 61), and the subsequent agitation of the matter has been productive of the best results, as seen by the above figures—a saving at the end of the year, from September, 1877, of the interest of over $2,000,000—a species of retrenchment that benefits all classes of the community alike.

The Ordinance approved 10th December, 1878, "to regulate the accumulation of money to pay the interest on the funded debt," will probably remedy the difficulty of undue balances in the treasury. Your Committee find that whatever facts may have influenced the several gentlemen to make the allegations, which induced the proposer of the resolution to offer it, and upon which he based it, none beyond what has been stated were brought before the Committee. We report the facts found and annex the papers. As the matter stands, your Committee beg to report back the resolution with a negative recommendation, and ask to be discharged from its further consideration by the passage of the subjoined resolution.

RESOLUTION

To discharge the Committee on resolution of instruction to the City Solicitor.

Resolved by the Common Council of the City of Philadelphia, That the Committee on resolution of instruction to City Solicitor to proceed in equity against Delos P. Southworth and Peter A. B. Widener, for the recovery of money due the City, be discharged from the further consideration of the same.

APPENDIX No. 92.

Philadelphia, April 3, 1879.

To the President and Members of the
Common Council of the City of Philadelphia.

GENTLEMEN:—Your Committee appointed on resolution in relation to the Public Buildings Commission, adopted 14th March, 1878 (Common Council Appendix No. 102 of Vol. I., of 1878), would respectfully report:

That they have given the purpose of their appointment due consideration since the report made by their Chairman on 30th June, 1878 (Common Council Appendix No. 253, Vol. I., 1878), and that in accordance with the resolution and instructions of 21st November, 1878 (Common Council Appendix No. 119, Vol. II., 1878), the Act to repeal a portion of the Act entitled "An Act to provide for the erection of all the public buildings, &c.," as requested by resolution adopted 31st January, 1878 (Common Council Appendix No. 39, Vol. I., 1878), was properly advertised as required by law in the case of repealing statutes, and was presented in the Legislature of Pennsylvania by the Hon. H. Gates Jones, in the Senate, and by the Hon. John E. Faunce, in the House of Representatives, as by the Chairman of this Committee specially requested, and was on same day referred to the respective Committees of the two branches of the Legislature on Municipal Corporations, where the bill at present remains. The bill was not sent to Harrisburg in January last, through some misunderstanding on the part of the Clerk of Common

Council, to whose charge the Chairman of this Committee had entrusted the preparation of the formal presentment of the matter to the Legislature. When the Chairman of this Committee could first open communication with the respective chairmen of the two committees, your Committee came together, and after consultation, decided to seek a hearing before the two committees at Harrisburg. The approach of the dissolution of this body, however, has prevented their action in the matter, and when informed that the Select Council branch of the Joint Committee would take no part in the discussion of the subject, and give no assistance in the presentation of their case at Harrisburg, your Committee felt that perhaps the passage of the Act in the same or a modified form might be hindered by their unsupported advocacy of so important a measure.

Whatever may be the difference of opinions among the members of Councils respecting the transfer of the powers and functions of the Building Commission to the Councils of the City, there is but little as to the necessity of limiting their annual demands to the appropriations that may be made by the representatives of the taxpayers in local legislature here assembled, in view of the decision of the Supreme Court denying all discretion to these Councils on requisition by the Public Building Commission, made under the provision of the Act of Assembly creating them, approved 5th August, 1870.

Your Committee think that in any event the original Act should be amended to meet this need, and they were, under the resolution (Common Council Appendix No. 102, Vol. 1 of 1878), charged with the alternative duty of pressing such a modification of the powers complained of.

It was impossible to get a hearing at Harrisburg before the present week, when the pressure of other duties connected with our office prevented both the Chairman and the gentleman from the Ninth Ward (Mr. Clark) from leaving the City, and it was necessary that the action of these Councils should be presented with such force as must have secured your representatives a respectful hearing.

Should Councils so desire, it would be easy to create another Committee after the organization of the new Council on Monday next, and such Committee could then proceed to

Harrisburg and urge any action in this behalf desired by Councils.

It would be useless for this branch of the Committee at this time to go before the Legislature, and we therefore beg the passage of the subjoined resolution, asking their discharge from the further consideration of the matter.

Geo. W. Kendrick, Jr.

RESOLUTION

Discharging the Common Council Committee appointed under resolution 14th March, 1878, in relation to Public Buildings Commission, from the further consideration of the subject.

Resolved by the Common Council of the City of Philadelphia, That the Committee appointed under resolution of 14th March, 1878 (Common Council Appendix Vol. 1, No. 102) be, and are hereby, discharged from the further consideration of the subject.

APPENDIX No. 93.

RESOLUTION

Of instruction to the Finance Committee.

Resolved by the Common Council of the City of Philadelphia, That the Finance Committee be, and are hereby, instructed and directed to insert in their report upon the collection of delinquent taxes the words: "Your Committee think that the entire commission allowed as a compensation for collection of delinquent taxes is included in the five per cent. penalty added to the tax when allowed to become delinquent, and that no other charge beyond interest, the cost of warrant and advertisement, can be lawfully collected from the delinquent, all other expense of collection being by law placed upon the collector and to be paid out of his five per cent. commission" stricken out of the report of the Sub-Committee by the said Committee, and report the same back to Councils without alteration or amendment.

HEALTH OFFICE,

Philadelphia, April 1, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN :—I am directed by the Board of Health to transmit to you the following copy of resolution passed this date.

Respectfully yours, &c.,
WM. P. TROTH,
Chief Clerk.

Whereas, The severe storm of October last loosened and partially destroyed the wharf and staging at the Lazaretto, and an ice gorge lately completed the destruction of the same ; and

Whereas, The appropriation made for repairs for this year is inadequate to restore the property to its former condition, such restoration being an imperative necessity ; therefore

Resolved, That City Councils be, and they are, hereby requested to make a transfer in the general appropriation to the Board of Health for the year 1879, as follows :

From Item 50 (Ninth, Seventeenth, and Nineteenth Districts), for pay of contractors for cleaning the streets and markets, and removing the ashes, dead animals, and garbage therefrom—or any other item that may be desired advisable by Councils, to Item 29, for general repairs to buildings, grounds, and appurtenances, Lazaretto, one thousand (1,000) dollars.

OFFICE OF THE MANAGERS OF THE HOUSE OF CORRECTION,

Philadelphia, April 7, 1879.

To the President and Members of the
Common Council of the City of Philadelphia.

GENTLEMEN:—At a meeting of the Board of Managers of the House of Correction held this day, the following resolution was adopted:

Resolved, That the President of the Board be, and is, hereby requested to notify the Select and Common Councils of the City of Philadelphia, that there are ample facilities for repairing and keeping in order the City Ice Boats at the wharf of the House of Correction; also, steam fire apparatus if necessity requires its use; and that the bed of the marsh is soft mud, with a sub-stratum of fine gravel upon which the boats can rest without danger of straining.

Yours respectfully,

ROBT. LAUGHLIN,
President.

*APPENDIX No. 8.

RESOLUTION

Of instruction to the Collector of Delinquent Taxes.

Whereas, The publication of delinquent taxpayers in the manner provided and directed in the fifth section of the Act 23d May, 1874 (Purd. Dig. p. 1905, pl. 13), is an essential part of the process of collection of delinquent taxes in the City of Philadelphia; *And whereas*, All the expense of col-

lection, specifically including "advertising," is to be paid by the Collector of Delinquent Taxes out of the compensation of "five per cent. upon the amount he shall collect and pay over to the City Treasury," as provided and directed in the fifth section of the Act 24th March, 1870 (Purd. 1380, pl. 146); *And whereas,* No such advertising of the delinquent tax payers has been made, as required by law, during the enjoyment by William J. Donohugh of the office of Collector of Delinquent Taxes in the three years ending 7th April, 1879.

And whereas, In the three years so ending on 7th April, 1879, the said Donohugh, as Collector of Delinquent Taxes, has collected and paid over to the City Treasurer, the amount of $6,291,166.42, on which his compensation of five per cent., amounting to $314,558.32, was taken and received by him, yielding and paying to *him individually*, after deducting the sum of $135,000 as the expense of his office in the said three years, as claimed by him before the Sub-Committee of Finance, lately considering this subject, *the clear annual profit of* $59,852.77;

And whereas, The said William J. Donohugh has been appointed Collector of Delinquent Taxes for the term of three years, commencing 7th April, 1879, and is now in the full enjoyment of that office and charged with its duties;

Therefore, be it resolved by the Select and Common Councils of the City of Philadelphia, That the Collector of Delinquent Taxes be, and he is, hereby instructed and directed to forthwith publish, at his own expense, a detailed statement of all delinquent taxpayers in the years 1876, 1877, and 1878, and annually hereafter, in five daily and two Sunday newspapers, and in such one paper as is now authorized by law to publish advertisements of legal notices, * * * * giving the name of the delinquent, the property on which the tax is due, and the amount of the same, the same number of times as is now required by law, and to report his compliance with this instruction at the next stated meeting of Councils.

*APPENDIX No. 9.

RESOLUTION

Of request to the Governor of Pennsylvania to veto the bill for the more efficient collection of delinquent taxes, being Senate bill No. 177, of this session.

WHEREAS, The press of Philadelphia, the Common Council of the City with unanimous voice, and many interested in the real estate which furnishes the basis of our system of taxation, have united in condemnation of the act entitled "An Act to provide for the more efficient collection of delinquent taxes in the cities of the first class, and for the preservation of the lien of the same," as injurious to the prosperity of the City, as special legislation of the most flagrant sort, and as the legalization of a system of fees, commissions, and charges abolished by the Act creating the office of Collector of Taxes in the City of Philadelphia; AND WHEREAS, Said Act invests the Collector of Delinquent Taxes and his deputies with discretionary powers dangerous to the welfare of the community, at variance with the provisions of the Act creating his office; therefore

Resolved by the Select and Common Councils of the City of Philadelphia, That his Excellency the Governor of the Commonwealth be, and he is, hereby requested to veto Senate bill No. 177, entitled as aforesaid, and return the same whence it came without his approval.

And that the Clerks of Councils forthwith furnish His Excellency the Governor with a certified copy of this resolution and preamble.

*APPENDIX No. 10.

RESOLUTION

To meet in Joint Convention to elect a Building Inspector.

Resolved by Common Council, That Select Council be invited to meet Common Council in Joint Convention in Common Council Chamber this day, April 17, 1879, at 4 o'clock P. M., for the purpose of electing a Building Inspector.

DEPARTMENT OF CITY CONTROLLER,

Philadelphia, April 14, 1879.

To the Finance Committee of Councils.

GENTLEMEN:—In compliance with Ordinance approved May 9th, 1878, entitled "An Ordinance to require the City Controller to report all warrants countersigned by him, and all mandamuses paid by the City Treasurer, weekly," I herewith transmit my report for the week ending April 12, 1879.

The City Treasurer reports having made no payments on mandamuses the past week.

Very respectfully,

ROBT. E. PATTISON,

City Controller.

RESOLUTION

Of request to the Governor of Pennsylvania to veto the bill for the more efficient collection of delinquent taxes, being Senate Bill No. 177, of this session.

Whereas, The press of Philadelphia, the Common Council of the City with unanimous voice, and many interested in the real estate which furnishes the basis of our system of taxation, have united in condemnation of the Act entitled "An Act to provide for the more efficient collection of delinquent taxes in the cities of the first-class, and for the preservation of the lien of the same," as injurious to the prosperity of the City, as special legislation of the most flagrant sort, and as the legalization of a system of fees, commissions, and charges abolished by the Act creating the office of Collector of Delinquent Taxes in the City of Philadelphia.

And Whereas, Said Act invests the Collector of Delinquent Taxes and his deputies with discretionary powers dangerous to the welfare of the community, at variance with the provisions of the Act creating his office; therefore

Resolved by the Common Council of the City of Philadelphia, That His Excellency the Governor of the Commonwealth be, and he is, hereby requested to veto Senate Bill No. 177, entitled as aforesaid, and return the same whence it came without his approval. And that the Clerks of Councils forthwith furnish His Excellency the Governor with a certified copy of this resolution and preamble.

*APPENDIX No. 16.

Philadelphia, May 1, 1879.

JOSEPH L. CAVEN, ESQ.,
President of Common Council.

DEAR SIR:—Our Committee have prepared, or caused to be prepared, the enclosed ordinance in relation to Harbor Commissioners, and will be obliged if you will present the same to the Common Council, and have it put on the proper course for passage.

Respectfully yours,

HENRY WINSOR,

Chairman of Board of Trade Committee on Coastwise and Foreign Commerce.

AN ORDINANCE

To create and organize a Board of Harbor Commissioners for the City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That there shall be, and there is, hereby created a Board of Harbor Commissioners for the City of Philadelphia, and that Alexander Henry, Barnabus H. Bartol, Edwin A. Gaskill, Charles Platt, Charles S. Lewis, and Joseph Wharton, Members of the Philadelphia Board of Trade, who were appointed by the Presidents of Select and Common Councils respectively, pursuant to a resolution to appoint a Committee to devise and present a plan to increase and accommodate the commerce of the port of Philadelphia, passed June 20, 1878, shall constitute the said Board until their successors shall be duly appointed.

SECT. 2. That it shall be the duty of the said Board of Harbor Commissioners to devise, consider, and present a plan or plans for the preservation and permanent improvement of the harbor of the port of Philadelphia, and for the increase of its landing accommodations; and for such purpose the

said Board are hereby authorized and instructed to ask from the proper authorities of the Federal Government the detail of an advisory commission to the said Board, to be composed of an officer of the United States Coast Survey, an officer of the United States Engineers, and a Civil Engineer, or of such other officers as shall be detailed therefor.

FIRST QUARTERLY REPORT OF THE COMMISSIONERS OF THE SINKING FUNDS FOR THE YEAR 1879.

OFFICE OF THE COMMISSIONERS,

Philadelphia, April 1, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—In conformity with the ordinance of May 9th, 1857, the Commissioners of the Sinking Funds herewith submit their report for the quarter ending March 31, 1879, exhibiting the funds which have been established since consolidation, their purposes, the operations of each during the quarter, and their present condition.

Receipts.

January 1, 1879, cash balance, - -	$147,613 39
Receipts during quarter, - - -	770,410 96
Total, - - - - -	$918,024 35

Expenditures.

Cash paid for $201,986.31, City Loan, -	$234,951 23
" " " loan matured, - - -	21,200 00
	$256,151 23
Cash balance March 31, 1879, - -	$661,873 12

The average premium paid on loan purchased during the quarter was 16¼ per cent.

The average premium paid on loan purchased during the year 1878 was 13⅝ per cent.

The total amount of City Loan held by the Commissioners of the Sinking Fund, for the different Sinking Funds at this date, is $13,587,583.02.

In accordance with resolution of the Commissioners of the Sinking Fund, passed at their stated meeting held in September, 1878, the Secretary has reduced the number of certificates of City Loan, numbering 7063, to 230, by consolidating the same and placing in each Sinking Fund, as nearly as possible, the loan belonging to it.

Respectfully submitted.

W. S. STOKLEY,
THOMAS COCHRAN,
ROBT. E. PATTISON,
Commissioners of the Sinking Funds.

Attest—W. N. HIRST,
Secretary.

*APPENDIX No. 18.

DEPARTMENT OF HIGHWAYS,

Philadelphia, May 1, 1879.

To the Presidents and Members
of Select and Common Councils.

GENTLEMEN:—Accompanying this please find communications from the Chief Engineer and Surveyor, and also from Mr. J. J. Barr, the latter of whom is the lowest bidder for the construction of the Lombard Street Main Sewer, as per equated schedule annexed, and to whom I have awarded the contract for same.

Very respectfully,

WILLIAM BALDWIN,
Chief Commissioner of Highways.

—

Philadelphia, Penn'a, May 1, 1879.

W. BALDWIN, ESQ.,
Chief Commissioner of Highways.

DEAR SIR:—I would state that I have been engaged on Public Works for the last twenty-five years, and have managed and superintended works of great magnitude, notably, "Cabin John Bridge" on Washington Aqueduct, Doylestown Branch of North Pennsylvania Railroad, (10 miles), north Broad Street, Pennsylvania Railroad, and others, and have associated with me Mr. Costigan, a well known and experienced contractor. Can furnish security of undoubted character, and being the lowest bidder, and willing to accept the contract at my bid.

Yours, &c.,

J. J. BARR,
103 Wharton Street.

OFFICE OF THE CHIEF ENGINEER AND SURVEYOR,

Philadelphia, April 30, 1879.

WILLIAM BALDWIN, ESQ.,
Chief Commissioner of Highways.

DEAR SIR:—I make the following return of the bids which you sent me on the 24th inst., for construction of main sewers on Lombard street west from Fourth street.

The proposals were received for two conditions:—One providing that the contractor should maintain the car travel along side of the sewer, by shifting and relaying the track; and the other that the Lombard and South Street Railway Company would divert their travel to another street and renew the track in position after the work was done.

The Railway Company having declined to divert the travel, &c., the former only is returned, as follows:

John J. Barr,	sewer	six feet	diameter,	$17 45
S. H. Collum,	"	"	"	18 90
E. T. Shantz,	"	"	"	20 50
Hugh Deehan,	"	"	"	24 25
Geo. T. Mills,	"	"	"	24 50
Michael O'Rourke,	"	"	"	28 00
T. P. Smarb,	"	"	"	30 00
E. D. Smith,	"	"	"	31 50

The amount of loan appropriated is, - - $20,000
And the limit of the contract, - - - 22,760

As some bids have recently been received from contractors not engaged in this line of business, I call your attention to the clause of the proposal which stipulates that no proposal will be accepted from any contractor unless *known to be skilled* and regularly engaged in *the construction of sewers*, and also to the ordinance of March 20, 1868, p. 122, which contains the same requirements, "that the parties shall be skilled and regularly engaged as to their proper occupation, trade, &c."

It is highly essential that these requisites should be rigidly enforced in giving out main sewer contracts.

Yours truly,

SAMUEL L. SMEDLEY,
Chief Engineer and Surveyor.

OFFICE COMMISSIONERS FIRE DEPARTMENT,

Philadelphia, May 1, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—At a meeting of the Board of Commissioners of the Fire Department, held on Tuesday, April 22, 1879, it was "*Resolved*, That the Board make application to your honorable bodies for a sufficient quantity of good and reliable hose to supply the deficiency caused by the destruction of hose at the late fire at Fourth and Race streets, a detailed statement of which is fully set forth in the Chief Engineer's report of said fire, and which is hereto annexed, and also enough of A No. 1 hose to take the place of a large quantity of which is now old and much worn."

The Board would respectfully ask your consideration of the suggestions made by the Chief, in order that the Department be kept to that state of efficiency which is requisite for the protection of the City from serious conflagration.

The Board would also suggest an inquiry into the practicability of the Chemical Engine, as an important auxiliary in the suppression of fires.

All of which is respectfully submitted.

JACOB LAUDENSLAGER,
President.

April 22, 1879.

To the Board of Commissioners of
Philadelphia Fire Department.

GENTLEMEN:—I respectfully report that on Sunday, April 6, 12.45 A. M., an alarm was sounded from box 128, located at station-house, Fifth street, above Race, caused by discovery

of fire in the north end of building, situate on the north-east corner of Crown and Race streets. I arrived on the ground within five minutes after the alarm was sounded, and found the building a mass of flames, extending from the pavement to above the roof of the five-story building. Owing to the combustible character of the material used in its construction, it being entirely of fat or yellow pine—with the exception of the brick walls—the building burned very rapidly, and in a short space of time the entire structure was in flames. The Race street front fell outwards, destroying the lower story of Whitall, Tatum & Co.'s building on the south side of Race street, and crushing and burning some six lines of hose which were doing good service, and causing that building to tumble into a heap; the contents, being hay and pine lumber used in packing glassware, added fuel to the fire. Attention was then directed to the surrounding property, and particularly to the buildings on the west side of Fourth street, above Race, but so rapid was the spread of the flames, and so intense the heat, that the men were compelled to run to save themselves from being burned up, leaving hose, ladders, &c., behind them. This was a critical moment. No time was lost in calling all the available force of the Department, and in a short time the entire block, from Third to Fifth, and from Cherry to Vine streets, was encircled with hose and streams of water in charge of the several Engineers of the Department, and by actual hard work the flames were finally got under control. This section of the City is one of the most dangerous in the event of fire, filled, as it is, with very combustible property in the shape of paint, oil, and varnish stores; and in confining the fire to the limits burned, too much praise cannot be awarded the members of the Department, and where all worked with so much unanimity it is impossible to particularize.

Having determined at the outset to make the best use possible of the material under my command, I had ordered the companies to carry the best hose in their charge. The result of this was that, with very few exceptions, they arrived on the ground with lines of good reliable hose. There was very little burst from actual use, but the fire and falling walls played havoc with it, as the following statement will show. From the returns made by the foremen of the several

companies, there were 48 sections burnt up or totally destroyed, 28 sections damaged and requiring repairs, and 25 sections burst from actual pressure. Of the hose destroyed there were 40 sections of the carbolized hose recently furnished the Department.

The Department is sadly in need of more hose, requiring, as it does, 45,000 feet to equip it properly, while we have less than 20,000 feet that can be relied on in the event of a large fire, or where hose may be put to any severe test, in addition to which, there is about 18,000 feet of what is known in the Department as the Diamond brand, and about 5,000 feet of the Whitehead hose, which instead of equipping tends to impair the efficiency of the Department. Each Company should have two lines, 1,600 feet, instead of one—800 feet—as at present, and when once equipped could be kept in good condition at a nominal cost per annum, and we would then feel as though we had something to depend on in the event of fire, as the best engines become useless without good hose to convey water to the fire, and would suggest that the Board furnish the Department with additional hose at an early day.

The wind prevailing at the time of the fire, carried sparks and cinders a long distance, setting fire to shingle roofs squares away. From my knowledge of the practicability and utility of the Chemical Engine in the extinguishment of fire, I would suggest that the Board consider the feasibility of purchasing at least one of these useful machines for use in the mercantile section, and particularly as a valuable auxiliary during the progress of such fires as the one Fourth and Race streets.

Signed, JOHN R. CANTLIN,
Chief Engineer.

LAW DEPARTMENT,

Philadelphia, May 1, 1879.

JOHN A. CLARK, ESQ.,
Chairman of Finance Committee.

MY DEAR SIR:—In answer to your communication of April 28, 1879, in relation to certain trenching incident to the construction of Mill creek sewer, I have to say, as follows:

From all the light I can get I am convinced that the trench is necessary to the further construction and completion of the sewer.

The sewer, in so far as it will be completed, after the performance of the proposed contract, would be unavailable and useless without the continuing trench.

The continuing trench is to be dug in the line of the sewer and will be so much work done towards its final completion.

For these reasons I am of opinion that it would be proper to pay for the trench out of the sewer loan.

Yours, very respectfully,

WM. NELSON WEST,
City Solicitor.

AN ORDINANCE

To approve the contract and sureties of James Armstrong, Jr., for the construction of the Mill creek main sewer.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the contract of James Armstrong, Jr., for the construction of the Mill creek main sewer, be, and the same is, hereby approved, and that John Gillespie and Thomas Gillespie be, and are, hereby approved as the sureties of the said James Armstrong, Jr., for the faithful performance of the said contract; *Provided,* That the said contract shall contain a clause that the said Mill creek sewer shall be completed in all respects according to the plans, specifications, and estimates of the Chief Engineer and Surveyor, for the sum or price, as follows: Sewer eighteen feet six inches in diameter, at forty-three dollars and fifty cents per lineal foot; sewer three feet in diameter, at two dollars and seventy cents per lineal foot, and trench twelve feet in diameter, at four dollars per lineal foot, thirty-three thousand and ninety-two dollars.

SECT. 2. That the City Solicitor be, and he is, hereby instructed to file agreements of record restricting the lien of the judgment to be entered on the bond accompanying the contract as against John Gillespie to the following premises: Nos. 2450 St. Ann street, Thirty-first Ward; 2003 South Eighth street; 1303 Canal street; 1945 Dean street, in the First Ward; Southwest corner Thirteenth and Moore streets and 1802 South Thirteenth street, in the Twenty-sixth Ward; 1930, 1932, and 1934 Reed street; 1936 and 1938

Getz street; 1915 and 1917 Gerhart street, in the First Ward; and as against Thomas Gillespie to ground rent of thirteen hundred dollars principal out of lot on west side of Eleventh street, south of Mifflin street, and ground rent of six hundred dollars principal out of lot on north side of Winton street, west of Ninth street.

DEPARTMENT OF HIGHWAYS, BRIDGES, AND SEWERS,

Philadelphia, May 15, 1879.

To the Presidents and Members
of Select and Common Councils.

GENTLEMEN:—I have awarded the contract for the construction of the Forty-eighth street sewer to James F. Kennedy, for the price of $4.77 per foot, amounting in the aggregate to $12,000, as per equated schedule of the Chief Engineer and Surveyor hereunto annexed.

Very respectfully,
WILLIAM BALDWIN,
Chief Commissioner of Highways.

—

OFFICE OF THE CHIEF ENGINEER AND SURVEYOR,

Philadelphia, May 16, 1879.

WILLIAM BALDWIN, ESQ.,
Chief Commissioner of Highways.

DEAR SIR:—I send you the schedule of bids received by you for the construction of sewer on Forty-eighth street, northward from the sewer in Oregon street.

The lowest bid will admit of building the sewer farther than previously expected, so that it can be extended to relieve the polluted stream at Merion avenue, and close in the offensive drainage in front of St. John's Orphan Asylum and the church at Cathedral Cemetery, which is greatly needed.

The limit of the contract will be $12,000, $8,000 of which is loan and $4,000 assessment bills.

Bidders.	Price of 5 ft. diameter.	Price of 4 ft. 9 in. diam'r.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Surveys and Regulations, to whom was referred the accompanying ordinance to repeal an ordinance providing for the construction of a sewer on Thirty-fifth street, beg leave to report that so much of said sewer as will be comprised between Sycamore street and Mantua creek is required to prevent flooding and injury to the street. The remaining portion, between Sycamore and Haverford streets, may, in the opinion of your Committee, be dispensed with without detriment to the public. The ordinance, suitably amended, is returned for your consideration.

*APPENDIX No. 49.

Philadelphia, May 7, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN :—The undersigned, a minority of your Committee on Surveys and Regulations, feel constrained to withhold our approval from the report upon an ordinance to repeal an ordinance to construct a sewer upon the line of Eighth street, between Girard avenue and Poplar street, and beg leave to submit for your consideration the fact that the street has already a drain in it, which has for twenty years proved sufficient for all demands upon it, and which can be made available for any drainage immediately needed without subjecting the remonstrants to an onerous tax for the construction of a new sewer in place of the one they have already provided for themselves. We therefore dissent from the action of the Committee, and submit the annexed ordinance and recommend its passage.

A. ATWOOD GRACE, WILLIAM R. GARDY,
JOHN SHEGOG, M. ROWLAND.

AN ORDINANCE

To repeal part of an ordinance, approved April 18, 1879, entitled "An Ordinance to authorize the construction of sewers on Bucknell, Race, and Eighth streets."

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That so much of the ordinance approved April 18, 1879, entitled "An Ordinance to authorize the construction of sewers on Bucknell, Race, and Eighth streets," be, as relates to authorizing the construction of a sewer on Eighth street, and the same is, hereby repealed.

OFFICE OF CHIEF ENGINEER AND SURVEYOR,

Philadelphia, June 5, 1879.

JOSEPH L. CAVEN, ESQ.,
President of Common Council.

DEAR SIR:—I have been informed that a very large and valuable series of detail maps of the main drainage of the City of London, was printed by the Metropolitan Board of Works, when the great sanitary work of that City was constructed some years ago, and that by formal application through the official channels, copies could probably be secured for this City.

Such a collection would be of great value to the Department of Surveys, and I recommend that authority be granted by ordinance to procure these exhibits of public works, and such others of similar character as can be obtained.

Yours truly,

SAM'L L. SMEDLEY,
Chief Engineer and Surveyor.

PHILADELPHIA MARITIME EXCHANGE,

Philadelphia, May 19, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—I have the honor to inform you that at a meeting of the Board of Managers of the Philadelphia Maritime Exchange, held this day, the resignation of Mr. Ludlam Matthews, as a candidate for the office of Port Warden, was received (copy herewith), and that it was accepted.

Also, that Mr. John B. Llewellen was nominated in his stead.

Be kind enough to have Mr. Matthew's name taken from the list of nominations sent you, under date of March 17, and insert Mr. Llewellen's name in lieu thereof.

I am, gentlemen, very obediently yours,

EDW. P. SHARWOOD.

Secretary.

(COPY.)

Philadelphia, May 17, 1879.

WM. BROCKIE, ESQ.,
President Philadelphia Maritime Exchange.

DEAR SIR:—The action of your exchange in presenting my name among others to the City Councils, as a candidate for the office of Port Warden, I have esteemed a compliment, but my health will not permit me to fulfil the duties, were I to be elected.

I therefore tender you my resignation as a candidate, and request that you will advise the City Councils of it.

Very respectfully yours,

Signed, LUDLAM MATTHEWS.

Chairman and Members of the Finance Committee.

GENTLEMEN:—Your Sub-Committee, to whom was referred the matter of "An Ordinance to make an appropriation to pay the fees of Constables of the City of Philadelphia," beg to report that, after consideration, they are of the opinion that an appropriation should be made sufficient to provide funds for the current year, and suggest fifteen thousand (15,000) dollars as amount to be thus appropriated.

JAMES L. MILES,
GEO. W. KENDRICK, JR., } *Committee.*

AN ORDINANCE

To make an appropriation to pay the fees of Constables of the City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the sum of fifteen thousand (15,000) dollars be, and the same is, hereby appropriated out of the Constables' fees paid to the City Treasurer by the respective Police Magistrates, agreeably to the Act of February 5, 1875, for the purpose of paying to each of the Constables monthly the aggregate amount of fees which shall be certified to be due and payable by the Magistrate of his Court. *Provided,* The same shall not exceed the amount of Constables' fees actually paid to the City Treasurer. *Provided also,* That the City Commissioners shall draw no warrant in favor of any Constable until furnished with a certificate from the Police Magistrate of his Court of the amount of fees to be due and payable to him, and the Controller shall countersign no warrant, until furnished with a certificate from the City Treasurer, that the amount for which the warrant has been drawn has been paid into the said Treasury by the said Magistrate; and warrants shall be drawn monthly by the City Commissioners for said fees, in conformity with existing ordinances.

SECT. 2. That the Constables' fees paid into the City Treasury, in pursuance of Act of February 5, 1875, shall be kept as a separate fund for the special purpose mentioned in the first section of this ordinance. And the City Treasurer, on or before the tenth day of every month, shall furnish to the City Controller a statement of the amount of Constables' fees paid into the City Treasury by the respective Police Magistrates.

Philadelphia, June 15, 1879.

Chairman and Members
of the Finance Committee.

GENTLEMEN:—Your Sub-Committee, to whom was referred the ordinance to repeal so much of an ordinance approved January 29, 1855, as directs that the moneys in the Sinking Fund shall be invested in the loan of this corporation, and to regulate such investments, having given the subject due consideration, and after consultation with the Commissioners of the Sinking Fund, do respectfully report that it is necessary that opportunity should be given for the investment of the balances held by the City Treasurer to the credit of the Sinking Fund in more than one security; that State and National loans are convenient and marketable securities, and that temporary investments of the cash balances to the credit of the Sinking Fund in said securities would be advisable. The desired authority can be given by amending the ordinance approved January 29, 1855, without repealing any part of it, and with that end in view your Sub-Committee beg your adoption of the annexed ordinance as a substitute for that referred to them, and your favorable recommendation of the same to Councils.

S. DAVIS PAGE, *Ch'n*, JOHN BARDSLEY,
G. W. BUMM.

AN ORDINANCE

To amend an ordinance approved 29th January, 1855, entitled "An Ordinance to provide a Sinking Fund for the redemption of the debt of the City of Philadelphia."

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the ordinance entitled "An Ordinance to provide a Sinking Fund for the redemption of the debt of the City of Philadelphia," approved January 29, 1855, be amended by inserting in section 4 of said ordinance, after the words "in the loan of this corporation" the words "in the loans of the State of Pennsylvania, and in the loans of the United States of America."

APPENDIX No. 64.

APPENDIX No. 69.

Philadelphia, June 12, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance respectfully report that they have considered an ordinance to authorize the publication of a detailed statement of all delinquent taxpayers prior to the year 1876, and for the reasons contained in the report of the Sub-Committee hereto appended, submit

the annexed ordinance to authorize the publication of a detailed statement of all delinquent taxpayers.

Philadelphia, June 5, 1879.

To the Chairman and Members of the
Committee on Finance.

GENTLEMEN:—Your Sub-Committee, to whom was referred the annexed ordinance, respectfully report, that on inquiry it is found that the list of the delinquent taxes, giving name of all delinquents, location of property, number and street, years unpaid, and the amount of tax due, can be published in two newspapers, once in each of two consecutive weeks, four notices in all, for the sum of ten thousand dollars, five thousand to each paper; that such publication would be sufficient to satisfy the demand of the public, and would greatly inure to the benefit of the City of Philadelphia, and should be made immediately after proper advertisement for proposals, as required by law, and therefore ask an appropriation of eleven thousand (11,000) dollars to cover copying and printing of said list, and that the City Controller be directed and authorized to make said publication.

Your Committee therefore report, as a substitute, the ordinance annexed, and ask your concurrence in the same, and favorable recommendation to Councils.

S. DAVIS PAGE, *Ch'n*, JOHN MCCULLOUGH,
JAS. L. MILES, EDWARD MATTHEWS.

AN ORDINANCE

To athorize the publication of a detailed statement of all delinquent taxpayers.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the City Controller be, and is, hereby authorized and directed to publish in two daily newspapers in said City, a detailed statement of all delinquent taxpayers as appears on the Registries in the office of the City Controller, for the period of two weeks, once in each paper in each week, giving the name of the delinquent, the property upon which the tax is due, and the amount of the tax, with all particulars therein set forth relating to the collection of said tax.

SECT. 2. That an appropriation of eleven thousand dollars be, and the same is, hereby made to the Department of City Controller, for defraying the expense of copying and publishing said lists: *Provided,* said publication be only made after due advertisement and proper award to the lowest bidders, in accordance with law.

DEPARTMENT OF CITY CONTROLLER,

Philadelphia, June 2, 1879.

To the Finance Committee of Councils.

GENTLEMEN:—In compliance with ordinance approved May 9, 1878, entitled "An Ordinance to require the City Controller to report all warrants countersigned by him, and all mandamuses paid by the City Treasurer, weekly," I herewith transmit my report for the week ending May 31, 1879.

The following mandamuses were paid by the City Treasurer last week:

J. Plankinton, Alderman, December 11, 1876, Elizabeth S. Githens	$76 44
T. H. List, Magistrate, 5 overseer certificates @ $8.25 - -	41 25
Ezra Lukens, Magistrate, 1 overseer certificate, - - -	8 25

Chargeable to general fund.

Very respectfully,

ROBT. E. PATTISON,
City Controller.

Per WM. N. HIRST,
Chief Clerk.

List of warrants of the Department of Public Education countersigned by the City Controller, for the week ending May 31, 1879.

AN ORDINANCE

To change the name of Nagle street, in the Twentieth Ward, to Fleetwood street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the name of Nagle street, between Stiles and Thompson streets, in the Twentieth Ward, be changed to Fleetwood street, and the Chief Commissioner of Highways is hereby authorized and directed to so change the index boards.

*APPENDIX No. 77.

Philadelphia, June 12, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Surveys and Regulations, to whom was referred the accompanying petition to repeal the ordinance authorizing the construction of a sewer on Wall street, between Seventh street and Passyunk avenue, beg leave to report that to build it would seriously interfere with business upon the street, and to an extent which the necessity for it will not justify. The passage of the accompanying ordinance is respectfully recommended.

AN ORDINANCE

To repeal an ordinance providing for the construction of a sewer on Wall street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That so much of an ordinance entitled "An Ordinance to authorize the construction of sewers on Twenty-third and other streets," approved the tenth day of December, 1878, as provides for the construction of a sewer on Wall street, from Seventh street to Passyunk avenue, be, and the same is, hereby repealed.

*APPENDIX No. 78.

Philadelphia, June 12, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Surveys and Regulations, to whom was referred the accompanying petition for revising the grades at Thirty-second and Locust streets, on Plan No. 42, and the ordinance for the same purpose, and also at Thirtieth street, near Spruce street, respectfully report that they have visited the territory, and find that the grades on Thirtieth street were fixed before any railroads were built, between Market street and Gray's Ferry. That a great part of the territory is now available for manufacture and trade in connection with railroads and water, which will be best accommodated by keeping portions of the street lower and nearer to tide level. As no buildings have there been erected, the revision should be made before they should grow up and interfere. At Thirty-second and Locust streets houses have been built, which will be much benefited by a modification of grade. We also think that streets should be laid out through the Almshouse meadows, so that the waste dirt of the City can be utilized by filling them up to a suitable grade, and gradually getting these streets and grounds ready for business purposes. We therefore think they should be included in the ordinance, and recommend the following.

J. SHEGOG,
JOSEPH C. KOLB,
WILLIAM R. GARDY,
DAVID MULLEN,
M. ROWLAND,
EDW. W. PATTON,
JOHN G. BROOKE.

AN ORDINANCE

To authorize the revision of Plan 42, and to establish lines and grades on the Almshouse property, in the Twenty-seventh Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the Department of Surveys be authorized to revise lines and grades on Plan 42, in the Twenty-seventh Ward, and establish lines and grades for streets on the Almshouse property.

*APPENDIX No. 87.

OFFICE PHILADELPHIA AND READING RAILROAD COMPANY,

Philadelphia, June 18, 1879.

JOSEPH L. CAVEN, ESQ.,
President of Common Council.

DEAR SIR:—The Philadelphia and Reading Railroad Company have received from William Baldwin, Esq., Chief Commissioner of Highways, a notice requiring them to restore Ninth street, between Wallace and Green, to the condition in which it was before permission to lay additional tracks there was given by Councils.

This notice would have been complied with at once, if it had not been supposed that Councils would acquiesce in the continuance of the additional tracks for the short period required to enable the Company to present to them their plans for the improvement of the railroad terminus at Ninth and Green; but, as some dissatisfaction with the inaction of the Company appears to have been expressed at the meeting of the Committee on Highways, held on Monday last, I hasten to assure you that Mr. Baldwin's notice shall be respected, and the work shall be done at once, unless Councils shall otherwise direct.

I must say, at the same time, that the inconvenience to the public from the removal of the sidings will be much greater than any advantage that can result therefrom. Ninth street, between Wallace and Green, will not be used by vehicles, and the use of the sidings, which we shall have to remove, has diminished the frequency of street crossings by trains.

We hope soon to submit to Councils a plan for a depot and other terminal accommodations at Ninth and Green streets, and shall earnestly invite their co-operation in an enterprise which must enure to the benefit of the city.

The citizens of Philadelphia have a real interest in the enlargement and improvement of her railroad facilities, and the Philadelphia and Reading Railroad Company will not

hesitate to contribute in the future, as they have in the past, to that object. Their interests are identified with those of Philadelphia to an extent which those who are most familiar with its commercial statistics can best appreciate; and as no narrow view of their own advantage has ever led them to interfere with plans of public improvement suggested by others, they feel justified in asking a fair consideration, upon its own merits, for the plan which they propose to present to the representatives of the people of Philadelphia.

Very respectfully, yours,

GEORGE DEB. KEIM,
Pres't pro tem. P. & R. P. R. Co.

RESOLUTION

Authorizing the paving of Memphis street, from Deal street to Montgomery avenue, without the water-pipe being first laid.

Resolved by the Select and Common Councils of the City of Philadelphia, That the Chief Commissioner of Highways be, and he is, hereby authorized to pave Memphis street, from Deal street to Montgomery avenue, in the Eighteenth Ward, without the water-pipe being first laid.

*APPENDIX No. 99.

Law Department,

Philadelphia, June 19, 1879.

M. A. Davis, Esq.,
Chairman of Highway Committee.

Dear Sir:—In reply to your verbal communication of yesterday, I desire to say that no official communication has ever been received by me asking for an opinion upon the legal question arising out of the proposed ordinance to authorize the grading of Tasker street, now under consideration by your Committee, and therefore I have prepared no opinion, not knowing what the precise points were upon which an opinion was desired. I have, however, made an examination of the records, with a view of ascertaining whether the street had ever been legally opened, with the following result: On the 25th of October, 1830, a petition of seven freeholders was presented to the Court of Quarter Sessions, praying for the opening of Tasker street (then called Franklin street), from Front street to the river Delaware, District of Southwark—*vide* Road Docket 10, page 152—whereupon proceedings were had under the provisions of the Act of April 2, 1822, 7th Smith & R., 605. Two juries were appointed on the 8th of April, 1831, "to assess damages sustained by the owners of ground by reason of the opening of Franklin street, from the east side of Front street to the river Delaware."

The first jury had under consideration the case of Robert W. Sykes, and reported an award of $1,250 to him as damages, which report was confirmed absolutely by the Court on November 21, 1831. The second jury reported that Charles Wharton, Joseph Johnson, Charles Penrose, Israel H. Morris, and estate of Isaac W. Norris suffered no damages by the opening of said street; report confirmed absolutely 6th February, 1832.

By the third section of the Act of April 2, 1822, it is enacted that damages awarded by viewers for ground taken for public streets, &c., within the district aforesaid, shall be paid by the County Treasurer; "*Provided always*, That

unless the same shall be paid within one year next after the return made by the viewers as aforesaid, all such proceedings as aforesaid shall be void and of no effect whatever." Unless, therefore, the above-mentioned $1,250 was paid to Mr. Sykes, on or before November 21, 1832, the proceedings to open the said street, so far as the premises owned by the said Sykes were involved, were of no effect. I have addressed a communication to the Treasurer asking for information as to this matter of payment to Mr. Sykes, but have not as yet been favored with a reply; and in the absence of definite information upon the point, I am of course unable to say whether the street has been fully opened according to law, or the contrary.

Yours, very truly,

WM. NELSON WEST.

AN ORDINANCE

To authorize the paving of Lambert street, from Montgomery avenue to Berks street, in the Twenty eighth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Chief Commissioner of Highways be, and is, hereby authorized and directed to enter into a contract with a competent paver or pavers for the paving of Lambert street, from Montgomery avenue to Berks street, in the Twenty-eighth Ward, with cobble pavement, no cost for intersections. The conditions of which contract shall be, that the contractor or contractors shall collect the cost of said paving from the owners of property respectively fronting on said street, and shall also enter into an obligation to the City to keep said street in good repair for three years after the paving is finished. *Provided*, Said street is first dedicated or properly opened; *And provided*, The Chief Commissioner of Highways first advertise for proposals for paving

said street, and award the contract to the lowest bidder, and that the owners of property fronting on said street shall not be charged more than the contract price.

Philadelphia, June 18, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—Your Committee on Surveys and Regulations, to whom was referred the accompanying ordinance to authorize the opening of Reed street, between Eleventh and Twelfth streets, find that the opening of the street in question will give a much needed thoroughfare, while under the provisions of the ordinance submitted the City will be at no cost for damages. The passage of the accompanying ordinance is recommended.

OFFICE OF THE BOARD OF HEALTH,

Philadelphia, June 26, 1879.

To the Select and Common Councils
of the City of Philadelphia.

GENTLEMEN:—I am directed by the Board of Health to transmit to you the following copy of a report of the Medical Inspector of the Board, of this date.

Very respectfully,

Your obedient servant,

WM. P. TROTH,
Chief Clerk.

[Copy.]

A. A. HIRST, ESQ.,
Secretary Board of Health.

SIR:—I have the honor to report that I have inspected the Brown Street Market, and find that the exposed bed of Cohocksink creek, between Beach street and Delaware avenue, contains deposits of decayed potatoes, rotten eggs, and vegetable refuse of different kinds. At low tide the bed of this creek is exposed from Laurel street, where it is intercepted by a sewer, to Delaware avenue, a distance of about three squares.

This locality has been frequently inspected, and its offensive condition is well known. It is, therefore, scarcely necessary to recapitulate what has been already written. The nuisance is a serious one, and should be promptly abated.

And for this purpose a three feet sewer from Laurel street to Delaware avenue would be quite sufficient; the surrounding bed of the creek to be filled up and graded; and as it is designed to make it a continuation of Canal street, it would also be paved.

Respectfully submitted,

(Signed) J. HOWARD TAYLOR,
Medical Inspector.
